The Time Machine:

The Time Machine H.G. Wells, 2011-05-31 The H G Wells classic that helped launch the time travel genre The Time Traveller a dreamer obsessed with traveling through time builds himself a time machine and much to his surprise travels over 800 000 years into the future He lands in the year 802701 the world has been transformed by a society living in apparent harmony and bliss but as the Traveler stays in the future he discovers a hidden barbaric and depraved subterranean class The Time Machine inspired the international bestseller The Map of Time by Felix J Palma As a gift to our readers we are including the first three chapters of The Map of Time in this ebook edition The Time Machine H.G. Wells, 2010-09-01 Themes Hi Lo adapted classics low level classics graphic novel These literary masterpieces are made easy and interesting This series features classic tales retold with color illustrations to introduce literature to struggling readers Each 64 page softcover book retains key phrases and quotations from the original classics What would it be like to travel thousands of years into the future How would Earth have changed Would people have changed too Step aboard The Time Machine and journey to the year 802 701 Learn how humankind has evolved into two races one simple and child like and the other strange and terrifying Then join the Time Traveler as he travels still further revealing the final secrets of Earth's future

The Time Machine H. G. Wells, 2011-08-10 When the Time Traveller courageously stepped out of his machine for the first time he found himself in the year 802 700 and everything had changed In this unfamiliar utopian age creatures seemed to dwell together in perfect harmony The Time Traveller thought he could study these marvelous beings unearth their secret and then return to his own time until he discovered that his invention his only avenue of escape had been stolen H G Wells's famous novel of one man's astonishing journey beyond the conventional limits of the imagination first appeared in 1895 It won him immediate recognition and has been regarded ever since as one of the great masterpieces in the literature of science fiction *The Time Machine* H. G. Wells, 2016-12-22 So in the end above ground you must have the Haves pursuing pleasure and comfort and beauty and below ground the Have nots the Workers At a Victorian dinner party in Richmond London the Time Traveller returns to tell his extraordinary tale of mankind's future in the year 802 701 AD It is a dystopian vision of Darwinian evolution with humans split into an above ground species of Eloi and their troglodyte brothers The first book H G Wells published The Time Machine is a scientific romance that helped invent the genre of science fiction and the time travel story Even before its serialisation had finished in the spring of 1895 Wells had been declared a man of genius and the book heralded a fifty year career of a major cultural and political controversialist It is a sardonic rejection of Victorian ideals of progress and improvement and a detailed satirical commentary on the Decadent culture of the 1890s This edition features a contextual introduction detailed explanatory notes and two essays Wells wrote just prior to the publication of his first book *The Time Machine* Herbert George Wells, 2002 When a turn of the century scientist builds a time machine his perilous journey into the far distant future leads to the discovery of a strange and terrifying new world **The Time**
