

The True Story Of Axis Sally

Richard Hugo

The True Story Of Axis Sally:

The True Story of Axis Sally C. L. Gammon, 2015-02-22 This brief book profiles the lives of the two American women who worked for the Axis cause during World War II under the name of Axis Sally Both of these women one in Germany and the other in Italy unabashedly employed their beautiful voices in the service of Fascism These women boldly attempted to damage Allied especially American morale in the European Theater **Axis Sally** Robert Livingston, 2021-03-14 This is the story of an aspiring actress Mildred Elizabeth Gillars who found herself in wartime Germany where she worked for Radio Berlin the propagandizing arm of the Nazi Regime Known as Axis Sally her radio show attempted to lower both civilian and military morale through the dissemination of propaganda After the war she was arrested in Berlin by American authorities and later tried for treason in the United States Though she was convicted of treason and sentenced to prison against a backdrop of national anger and derision many questions lingered as to the fairness of her trial including the role of the press the federal government and the witnesses who testified against her This is the story behind the story **The True Story of Catch-22** Patricia Chapman Meder, 2012-08-21 The real life companion to the literary classic written and illustrated by the daughter of the 340th Bomb Group's commander Catch 22's Col Cathcart After the publication of his bestselling novel Catch 22 Joseph Heller usually chose to deny that any of his richly drawn characters were based on his actual war mates However to those who served with Heller in the 340th Bomb Group the novel's characters were indeed recognizable the hard drinking vengeful and disillusioned Chief White Halfoat young sliced in half Kid Sampson shrieking frenzied Hungry Joe Col Cathcart Gen Dreedle Yossarian and that capitalist supreme Milo Minderbinder In this book written and colorfully illustrated by the daughter of the 340th Bomb Group's commander Col Willis Chapman we finally encounter the real men and combat missions on which the novel was based While Heller's fully developed characters stand solely solidly and uniquely on their own merits The True Story of Catch 22 proves that any resemblance to persons living or dead is in fact actual This three part book blends fact fancy and history with full blown original illustrations and rare previously unpublished photos of these daring USAAF flyers and their Corsica based B 25 Mitchell Along with descriptions of the 340th's real wartime experiences the work includes twelve men of the Bomb Group relating richly told tales of their own In these pages it is a great pleasure to finally see the real story behind the fictionalized account and to be even more impressed Scott Carpenter NASA astronaut Heller's satiric caricatures are here shown to have stemmed from patriotic courageous highly decorated airmen who daily performed heroic wartime feats against overwhelming obstacles Library Journal **Axis Sally** Richard Lucas, 2013-05-07 A fascinating well researched account of Mildred Gillars the failed actress who turned on her country and became a Nazi propagandist during WWII Publishers Weekly One of the most notorious Americans of the twentieth century was a failed Broadway actress turned radio announcer named Mildred Gillars 1900 1988 better known to American GIs as Axis Sally Despite the richness of her life story there has never been a full length biography of the ambitious star struck Ohio girl who evolved into a reviled

disseminator of Nazi propaganda At the outbreak of war in September 1939 Gillars had been living in Germany for five years Hoping to marry she chose to remain in the Nazi run state even as the last Americans departed for home In 1940 she was hired by the German overseas radio where she evolved from a simple disc jockey and announcer to a master propagandist Under the tutelage of her married lover Max Otto Koischwitz Gillars became the personification of Nazi propaganda to the American GI Spicing her broadcasts with music Gillars s used her soothing voice to taunt Allied troops about the supposed infidelities of their wives and girlfriends back home as well as the horrible deaths they were likely to meet on the battlefield Supported by German military intelligence she was able to convey personal greetings to individual US units creating an eerie foreboding among troops who realized the Germans knew who and where they were After broadcasting for Berlin up to the very end of the war Gillars tried but failed to pose as a refugee and was captured by US authorities Her 1949 trial for treason captured the attention and raw emotion of a nation fresh from the horrors of the Second World War Gillars s twelve year imprisonment and life on parole including a stay in a convent is a remarkable story of a woman who attempts to rebuild her life in the country she betrayed

The Sirens of Wartime Radio and How the American Print Media Presented Them

Scott A. Morton,2020-10-05 The Sirens of Wartime Radio and How the American Print Media Presented Them The Stories the Intrigue and the Evolving Coverage of Their Legacies analyzes press coverage from the American print media that helped construct popular images of Tokyo Rose Axis Sally Seoul City Sue and Hanoi Hannah Coverage of these radio sirens essentially constructed and defined these women s legacies for an American audience Scott A Morton examines newspaper and magazine coverage from the periods of each broadcaster and in doing so analyzes four primary research inquires Morton discusses how American newspapers and magazines portrayed each woman to American readers how the American mass media s portrayal of them evolved overtime from the mid 1940s through the present the ways in which the American mass media responded to these five female propagandists either directly or indirectly through print radio and visual media and how the legacy of each woman has been kept alive in popular culture in the decades since their last broadcasts Morton argues that for the most part coverage of the sirens was borne out of fascination and aversion fascination stemming from the novelty of women acting as high profile agents of enemy propaganda organizations and aversion stemming from the potential power they had over U S servicemen and the fact that they were viewed as traitors to the U S Scholars of media studies history and international relations will find this book particularly useful

Wicked Women of Ohio

Jane Ann Turzillo,2013-10-29 True crime with a Midwest twist The award winning writer recounts the stories of Ohio s most notorious vixens viragoes and villainesses The Buckeye State produced its share of wicked women Tenacious madam Clara Palmer contended with constant police raids during the 1880s and 90s Only her death could shut the doors of her gilded bordello in Cleveland Failed actress Mildred Gillars left for Europe right before World War II Because she fell in love with the wrong man she wound up peddling Nazi propaganda on the radio as Axis Sally Volatile Hester Foster was already doing time at the

Ohio State Penitentiary when she bashed in the head of a fellow inmate with a shovel The sinister Anna Marie Hahn dosed at least five elderly Cincinnati men with arsenic and croton oil and then watched them die in agony while pretending to nurse them back to health

A History of Broadcasting in the United States Erik Barnouw, 1968-02-20 Tells how radio and television became an integral part of American life of how a toy became an industry and a force in politics business education religion and international affairs

Sound in the Age of Mechanical Reproduction David Suisman, Susan Strasser, 2011-10-11 During the twentieth century sound underwent a dramatic transformation as new technologies and social practices challenged conventional aural experience As a result sound functioned as a means to exert social cultural and political power in unprecedented and unexpected ways The fleeting nature of sound has long made it a difficult topic for historical study but innovative scholars have recently begun to analyze the sonic traces of the past using innovative approaches Sound in the Age of Mechanical Reproduction investigates sound as part of the social construction of historical experience and as an element of the sensory relationship people have to the world showing how hearing and listening can inform people's feelings ideas decisions and actions The essays in Sound in the Age of Mechanical Reproduction uncover the varying dimensions of sound in twentieth century history Together they connect a host of disparate concerns from issues of gender and technology to contests over intellectual property and government regulation Topics covered range from debates over listening practices and good citizenship in the 1930s to Tokyo Rose and Axis radio propaganda during World War II to CB radio culture on the freeways of Los Angeles in the 1970s These and other studies reveal the contingent nature of aural experience and demonstrate how a better grasp of the culture of sound can enhance our understanding of the past

The Real West Marginal Way: A Poet's Autobiography Richard Hugo, 1992-06-17 Of Richard Hugo's Making Certain It Goes On David Wagoner has written Richard Hugo spared himself and us no pains or joys in making the wonderful vigorous original poems brought together in this single collection His was and is a very important voice in modern American poetry Hugo was also an editor of the Yale Younger Poets series and a distinguished teacher and master of the personal essay Now many of his essays have been assembled and arranged by Ripley Hugo the poet's widow and a writer and teacher and Lois and James Welch writers and close friends of the poet Together the essays constitute a compelling autobiographical narrative that takes Hugo from his lonely childhood through the war years and his working and creative life to an interview just before his death in 1982 William Matthews also a friend of Hugo's has written an introduction

Liberando: Reflections of a Reluctant Warrior John E. Horn, 2019-06-21 Merriam Press World War 2 Memoir Series John H Horn's wartime experiences as a B 24 pilot in the famous Liberandos bomb group the 376th are recounted in this work by his son John E Horn Horn was one of millions in World War II who did their jobs He was mighty lucky and blessed to have come home unscathed Most of the real learning about air combat was on the job Military schools and training don't really produce combat ready men and women They produce attitudes as well as thinking and re-acting skills Actual combat is the real teacher John was forever grateful to

his crew and the leaders of the 376th Bomb Group who suffered his inexperience and naiveté. Without their patience he would not have developed into a competent safe and living combat pilot. 31 photos, illustrations, maps. *Nazi Women of the Third Reich* Paul Roland, 2018-07-31. Four months pregnant Vera Wohlauf, wife of a serving SS officer, took sadistic pleasure in rounding up victims for Treblinka. Like creatures from a Grimm's fairytale, female members of a Nazi welfare organization scoured the towns and villages of Poland and Slovenia, luring blond children out of hiding with bread and sweets. They were abducted to be raised as Germans by Aryan families who told them their parents were dead. Test pilot Hanna Reitsch flew on a suicide mission to rescue Hitler from his bunker. Not even Hitler could resist the charms of Princess Stephanie, a femme fatale and Nazi agent who smoked cigars which she lit by striking a match on the heel of her shoes. The Nazis had no doubts about a woman's place in the Third Reich. Hermann Goering urged every woman to take a pot, a dustpan and brush and marry a man. Many women welcomed the arrival of Hitler's regime with childlike enthusiasm, believing that the dictatorship would make Germany master of Europe, but as the war dragged on, their blind faith in Hitler was betrayed. **The Cow Spoke French** William True, Deryck Tufts True, 2002. **Scoundrels Who Made America Great** Martin Henley, 2016-01-21. We like our heroes to wear white hats and our villains to wear black. *Scoundrels Who Made America Great* takes a fresh view of heroism by using a dramatic event in the life of each scoundrel to illustrate how disreputable labels can obscure heroic deeds. Some of them are household names; others have been forgotten till now. Some are villains who turned out to be heroes; others are heroes who proved to be all too human. They are *The Scoundrels*. And Martin Henley has brought them to life in a vividly written volume that overflows with surprising stories, little-known facts and the pure drama of history. Enjoy! William Martin, New York Times Bestselling author of *The Lost Constitution* and *The Lincoln Letter*. By showing that the meanings assigned to the actions of prominent historical figures by contemporaries as well as future generations can fluctuate dramatically, Martin Henley's book inspires readers to reflect on the very nature of history. It helps them to understand that both scoundrels and heroes are made by their deeds as much as by the collective memory that shifts with time and place. Michal Rozbicki, Professor of History, St. Louis University. With the rigorous research of a scholar and the superb story-telling skills of a novelist, Martin Henley has penned a wonderful book about five historical scoundrels who, upon further reading, were not the dreadful miscreants all of us have been led to believe. *Scoundrels who Made America Great* is a highly readable and truly enlightening slice of hidden history. Ronald E. Yates, Dean Emeritus, College of Media Studies, University of Illinois. Bestselling author of *Finding Billy Battles*, website www.martinhenley.com, blog www.ironicamericanhistory.blogspot.com. *Hitler's Intelligence Chief: Walter Schellenberg* Reinhard Doerries, 2009-10-01. By a world-renowned specialist in intelligence history. The best and definitive book on the subject. *New York Court of Appeals. Records and Briefs*. New York (State). Court of Appeals., 1947. Volume contains *Harry Barnett v 41 43 East 28th Street Corp*, *Harry Barnett v 41 43 East 28th Street Corp*, *Harry Barnett v 41 43 East 28th Street Corp*, *Harry Barnett v 41 43 East 28th Street Corp*, *Edward A. Barnett et al v Westover*.
