including some places that aren't even in the other guidebooks. Well, imagine we're sitting down with a glass of wine or a cup of coffee and chatting about how to make your trip to Kauai awesome. That's how we want our guide to feel. We're from Seattle but we've visited Kauai many times; we've actually lost count. We even lived there for a few months. Each time we visit Kauai we enjoy trying new things, seeing new places, and asking locals for their suggestions. Our visits always include a mix of familiar favorites and delightful new surprises. We take our best experiences and put them into this guide for you. For a comprehensive guidebook we recommend *The Ultimate Kauai Guidebook* (UKG) by Andrew Doughty. It's a great reference with tons of good information and accurate directions. But it's a lot to absorb. Use our book to focus on our shorter, personal list of great stuff. We have specific recommendations that aren't in the UKG and we have a different opinion on a few things too. We cover restaurants, beaches, shopping, hikes, walks, activities, car rentals, and driving tips—everything you need to know to have a great time on Kauai. We try to make our guide personal and fun. We hope you enjoy our guide and your trip to Kauai. Aloha, Armen and Lori.

The Ultimate Guide to Implementing Wellbeing Programmes for School by Jolanta Burke, 2020-12-29. This is an essential guide for all teaching professionals to help them make an informed decision about what wellbeing programmes and initiatives they should select in their schools and why. It provides teachers and school leaders with all necessary knowledge to help identify what they should be looking for in wellbeing programmes, how they should be evaluating its effectiveness, and who should be delivering it for them. It presents a suite of components and evidence-based interventions that teachers can pick and choose for their school community. For the first time, practitioners are not being sold a specific programme but instead presented with what is known about wellbeing in order to empower them to make their own decisions that best suit their community. It goes behind the scenes and reveals the secrets used by researchers and experts, including practical advice, recommendations, and the author's own ground-breaking research study involving 3,000 students. Its unique pick-and-mix process demystifies programme creation, simplifies it, and makes its building blocks available to the masses. This accessible, evidence-based guide suggests a whole-school approach with specific interventions that can be used to successfully improve the wellbeing of teachers and students, making it an invaluable resource and a must-read for all teaching professionals.
