The Valley of Fear Annotated Book With Teacher Edition Sir Arthur Conan Doyle,2020-06-07 The Valley of Fear begins with Sherlock Holmes the famous detective and Dr Watson his comrade and roommate at 221B Baker Street in mid conversation Holmes is puzzling over an encrypted message that he received from Porlock an associate of Holmes nemesis Professor Moriarty A second message from Porlock which was supposed to contain the key to the coded message soon arrives stating that he Porlock is afraid of Moriarty s wrath and will not reveal the purpose of his correspondence Holmes soon deciphers the message regardless and discovers that it warns that Douglas of Birlstone is in imminent danger The two are soon visited by MacDonald a policeman friend of Holmes who informs them that this same Douglas has been murdered Upon inspection of the dead man it is revealed that he has been killed with a sawed off shotgun an American weapon Beside the disfigured body lies a card inscribed V V 341 Other clues in the room include a bloody footprint on the windowsill a missing dumb bell and the fact that the man s wedding ring is missing Another clue discovered soon after is a bicycle concealed just

outside the house grounds Interrogation of the house servants reveals little and after Mrs Douglas wife of the murdered man and Cecil Barker a friend of the family are questioned Holmes reveals to Watson that he believes the two are in a conspiracy together

The Valley of Fear Arthur DOYALE,2018-10-09 Arthur Conan Doyle published *The Valley of Fear* in serial form in Strand Magazine between September 1914 and May 1915 A book form followed the British serialization in 1915 The manuscript 176 folio pages with Doyle s deletions and revisions shows that Watson was not intended to be the original narrator It is the only Holmes tale to deal directly with Irish issues Like *A Study in Scarlet* one of the more famous Holmes tales *The Valley of Fear* features a flashback section inserted after Holmes has put his deductive power to work solving the mystery This places the reader across the Atlantic Ocean and firmly on the solid ground of actual American history The historical impetus behind the plot of *The Valley of Fear* was the real confrontation between the Pinkerton Detective Agency and members of an Irish secret society known as the Molly Maguires who had emigrated to Pennsylvania Depending on one s point of view the Molly Maguires were either just a collection of mindlessly violent vigilantes who just so happened to have targeted the anti union owners of coal mines or they were guerrilla warriors in the battle for fair and honest treatment of coal miners by an ownership class that wasn t above engaging Pinkerton Detective to dispense their equally violent tactics for keeping the unions under control Conan Doyle had visited America on a lecture tour to great acclaim in the 1890s and returned to New York City in May of 1914 It is likely he discussed *The Valley of Fear* with his American editor It is also likely that his editor recommended that the American publication elide three words from the second part of the tale coal and iron from the sentence Captain Marvin is my name of the Coal and Iron Police A more neutral word mine was substituted 264 Like *The Sign of Four* *The Hound of the Baskervilles* and the origin of Sherlock Holmes *A Study in Scarlet* *The Valley of Fear* is no mere short story but rather a fully fleshed out novel length engagement with the most famous resident of Baker Street This description of the work is far more appropriate than say Sherlock Holmes novel since the work shares with *A Study in Scarlet* and *The Sign of Four* one of the less popular aspects of the entire Holmes canon that explanatory section in flashback This arguably goes on longer than it probably needs to although to its merit it is indeed a fascinating read It may feel needlessly prolonged for certain readers it consists of more words than the opening section but it is actually a pretty dazzling example of just how inventive a writer Conan Doyle could be when his heart was really in it

Sherlock Holmes, the Valley of Fear Arthur Conan Doyle, 2009

The first part of the fourth Sherlock Holmes novel, *The Valley of Fear* (1914-15), takes place in the English county of Sussex in 1888. Following the murder of Mr. Douglas from Birlstone Manor House, the logical detective skills of Sherlock Holmes and the support of his assistant Dr. Watson are needed to determine the identity of the murderer and to capture him.
