Anglicisms in German Alexander Onysko, 2007 Offers a detailed account of the influence of English in German based on a large scale corpus analysis of the newsmagazine Der Spiegel This book presents a study that is structured into three parts each of which deals with fundamental questions and as of yet unsolved and disputed issues in the domain of anglicism research and language contact

Digital Capitalism and Distributive Forces Sabine Pfeiffer, 2022-01-05 Are robots taking away our jobs Those who ask this question have misunderstood digitalisation it is not an industrial revolution by other means Sabine Pfeiffer searches for the actual novelties brought about by digitalisation and digital capitalism In her analysis she juxtaposes Marx s concept of productive force with the idea of distributive force From the platform economy to artificial intelligence Pfeiffer shows that digital capitalism is less about the efficient production of value but rather about its fast risk free and permanently secured realisation on the markets The examination of this dynamic and its consequences also leads to the question of how destructive the distributive forces of digital capitalism might be

The Global 1989 George Lawson, Chris Armbruster, Michael Cox, 2010-09-23 1989 signifies the collapse of Soviet communism and the end of the Cold War a moment generally recognized as a triumph for liberal democracy and when capitalism became global The Global 1989 challenges these ideas An international group of prominent scholars investigate the mixed paradoxical and even contradictory outcomes engendered by these events unravelling the intricacies of this important moment in world history Although the political economic and cultural orders generated have for the most part been an improvement on what was in place before this has not always been clear cut 1989 has many meanings many effects and multiple trajectories This volume leads the way in defining how 1989 can be assessed both in terms of its world historical impact and in terms of its contribution to the shape of contemporary world politics
