There's always more people in need than he can help, and one of these days he's going to hang for theft from the royal kitchens. Although Tybolt and his fierce partner Auriela have imprisoned many Wizards, the one partially responsible for the storm that killed Tybolt's family is still out there. Alistair. When an old informant claims to have information regarding their elusive prey, everything changes. In a cruel twist, Tybolt realizes he isn't who he thought he was at all.
