The Third Option Miles McPherson, 2020-02-25 Miles McPherson founder of The Rock Church in San Diego presents a discussion about race that we desperately need a must read Bishop T D Jakes Senior Pastor The Potter's House and argues that we must learn to see people not by the color of their skin but as God sees them humans created in the image of God Pastor Miles McPherson senior pastor of The Rock Church in San Diego addresses racial division a topic many have shied away from for fear of asking the wrong question or saying the wrong thing Some are oblivious to the impact racism has while others pretend it doesn't exist Even the church has been affected by racial division with Sunday now being the most segregated day of each week Christians who are called to love and honor their neighbors have fallen into culture's trap by siding with one group against another us vs them Cops vs protestors Blacks vs whites Racists vs the woke The lure of choosing one option over another threatens God's plan for unity among His people Instead of going along with the culture Pastor Miles directs us to choose the Third Option honoring the priceless value of God's image in every person we meet He exposes common misconceptions that keep people from engaging with those of different racial and ethnic backgrounds and identifies the privileges and pitfalls that we all face The Third Option challenges us to fully embrace God's creativity and beauty as expressed in the diversity of His people By following the steps and praying the prayers outlined in his book Pastor Miles teaches us how we can all become leaders in unifying our communities our churches and the nation

Charles G. Cogan, 2001-09-30 It was logical to expect that the European Economic and Monetary Union would lead ineluctably to an autonomous European defense the very size of the European Union seems to demand it The EU eventually will reach the point where its economic and demographic weight will far exceed that of the United States Can it not be expected too that the EU will seek to make this weight felt internationally Cogan tracks the halting creation of an independent European military structure a third way between national armies and NATO since the Iron Curtain's fall With the Cold War's end and subsequent western engagements in Central and Eastern Europe it is no longer a question of whether NATO and the EU compare they now must relate They have to coordinate their planning and force postures so as to avoid duplication of resources and efforts Although NATO's integrated command structure theoretically was an anomaly with the end of the Cold War it nevertheless turned out to be the case in Bosnia and later Kosovo that nothing was possible until the Americans intervened The virtue of integrated command American participation and know how was once again seen as crucially important despite the increasingly anachronistic deficit of sovereignty for Western Europe in defense matters In the
