Romeo and Juliet (English German Edition Illustrated) William Shakespeare, 2020-04-28 *Romeo and Juliet* may be Shakespeare's best known play and for good reason It is an eternal story of forbidden love warring groups political intrigue and the tragedy of youthful indiscretion Few stories have entered into the collective knowledge of the world as much as this play and it remains one of the foremost cultural touchstones of Western culture The play remains one of the most produced of all Shakespeare plays and it has been adapted numerous times for the ballet opera and screen both big and small Several scenes have become iconic from the balcony scene to the final moments of *Romeo and Juliet*'s young lives and they continue to be adapted parodied and performed in all media *Romeo and Juliet* opens with a street fight between the young men of the two families showing how close Verona is to civil war In the midst of this tension Romeo and his Montague friends crash the Capulet ball in search of Rosalina but Romeo falls in love with Juliet who he finds instead The famous balcony scene takes place after the ball when Romeo sneaks back to find Juliet Outraged at Romeo's intrusion Juliet's cousin Tybalt later

challenges Romeo to a duel but Romeo will not kill the family of the woman he loves The hope for reconciliation between the two families through marriage is dashed by the reckless actions of young men from both families and the story ends in tragedy Although the love story between Romeo and Juliet takes center stage the minor characters and subplots help make the play one of the richest ever written Tybalt and Mercutio play vital roles in the plot but their characterization is subtle and powerful Juliet's nurse and friar Laurence play conciliatory roles attempting to bring an end to the violence plaguing the city The patriarchs of both families show fragility and gentleness that alternates with violence and vengeance displaying a lust for power combined with deep knowledge of political machinations These stories help make Romeo and Juliet not only a great romantic tragedy but a play with something for everyone Romeo and Juliet (Illustrated 1870 Edition) William Shakespeare, 2019-01-20 Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young star crossed lovers whose deaths ultimately reconcile their feuding families It was most likely finished in 1595 Romeo and Juliet Illustrated William Shakespeare, 2021-05-02 Romeo and Juliet is a tragedy written by William Shakespeare early in his career about two young Italian star crossed lovers whose deaths ultimately reconcile their feuding families It was among Shakespeare's most popular plays during his lifetime and along with Hamlet is one of his most frequently performed plays Today the title characters are regarded as archetypal young lovers Romeo and Juliet belongs to a tradition of tragic romances stretching back to antiquity The plot is based on an Italian tale translated into verse as *The Tragical History of Romeus and Juliet* by Arthur Brooke in 1562 and retold in prose in *Palace of Pleasure* by William Painter in 1567 Shakespeare borrowed heavily from both but expanded the plot by developing a number of supporting characters particularly Mercutio and Paris Believed to have been written between 1591 and 1595 the play was first published in a quarto version in 1597 The text of the first quarto version was of poor quality however and later editions corrected the text to conform more closely with Shakespeare's original Shakespeare's use of his poetic dramatic structure especially effects such as switching between comedy and tragedy to heighten tension his expansion of minor characters and his use of subplots to embellish the story has been praised as an early sign of his dramatic skill The play ascribes different poetic forms to different characters sometimes changing the form as the character develops Romeo for example grows more adept at the sonnet over the course of the play Romeo and Juliet has been adapted numerous times for stage film musical and opera venues During the English Restoration it was revived and heavily revised by William Davenant David Garrick's 18th century version also modified several scenes removing material then considered indecent and Georg Benda's *Romeo und Julie* omitted much of the action and used a happy ending Performances in the 19th century including Charlotte Cushman's restored the original text and focused on greater realism John Gielgud's 1935 version kept very close to Shakespeare's text and used Elizabethan costumes and staging to enhance the drama In the 20th and into the 21st century the play has been adapted in versions as diverse as George Cukor's 1936 film *Romeo and Juliet* Franco Zeffirelli's 1968 version *Romeo and Juliet* and Baz Luhrmann's 1996 MTV
