The Traveler's Gift: Seven Decisions that Determine Personal Success

Description :

What makes the difference between failure and success? In times of great uncertainty, we need divine wisdom. Many of the greatest minds throughout history have overcome personal struggles and adversity and emerged stronger for it. What guidance would iconic heroes like Abraham Lincoln, King Solomon, and Anne Frank give us in today's ever-changing world climate? The Traveler's Gift offers a modern day parable of one man's choices—and the attitudes that make the difference between failure and success. What People Are Saying Randy Travis, Entertainer 'I believe this book is full of insight one can use throughout life. Told with a wonderful story I know people of all ages will enjoy reading.' John C. Maxwell, Author and Founder of The INJOY Group 'In the tradition of Og Mandino, Andy Andrews has spun an engaging morality tale. The Traveler's Gift is a thought-provoking book that will challenge you to reach your fullest potential.' Nicole Johnson, Actress and Author of Fresh-Brewed Life "Incredible truth, creatively told." Success 2005 by Andy Andrews is a self help fable that follows the fictional character David Ponder on a journey through time in which historical figures teach him the keys to regaining control of his life After losing his job as an executive at a chemical plant near Dallas Ponder no longer can support his wife and ailing 12 year old daughter Purchase this in depth summary to learn more [Return to Sawyerton Springs \(Volume 2 of 2\) \(EasyRead Super Large 24pt Edition\)](#) , [How Do You Kill 11 Million People? \(Intl. Ed.\)](#) Andy Andrews,2012-01-02 How do you get away with the murder of 11 million people The answer is simple and disturbing You lie to them Learn how you can become an informed passionate citizen who demands honesty and integrity from your leaders In this nonpartisan New York Times bestselling book Andy Andrews emphasizes that seeking and discerning the truth is of critical importance and that believing lies is the most dangerous thing you can do You ll be challenged to become a more careful student of the past seeking accurate factual accounts of events that illuminate choices our world faces now By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945 Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other This short thought provoking book poses questions like What happens to a society in which truth is absent How are we supposed to tell the difference between the good guys and the bad guys How does the answer to this question affect our country families faith and values Does it matter that millions of ordinary citizens aren t participating in the decisions that shape the future of our country Which is more dangerous politicians with ill intent or the too trusting population that allows such people to lead them This is a wake up call we must become informed passionate citizens or suffer the consequences of our own ignorance and apathy We can no longer measure a leader s worth by the yardsticks provided by the left or the right Instead we must use an unchanging standard the pure unvarnished truth *How Do You Kill 11 Million People? (International Edition)* Andy Andrews,2012-01-03 It all comes down to the truth Much like the character in one of his best selling books Andy Andrews is first and foremost a Noticer Sometimes all one needs is a little perspective and Andy has been providing that perspective to some of the world s most influential companies and organizations for the last 20 years His ability to transform an individual by their own understanding and desire has made him loved by millions Now Andy Andrews brings his lessons and perspective into the important arena of government citizenship and what it means to completely uphold the truth If the truth is what sets us free what does it mean to live in a society where truth is absent How do truth and lies in the past shape our destiny today Through the lens of the Holocaust best selling author Andy Andrews examines the critical need for truth in our relationships our communities and our government In this compact nonpartisan book Andrews urges readers to be careful students of the past seeking accurate factual accounts of events and decisions that illuminate choices we face now By considering how the Nazi German regime was able to carry out over eleven million institutional killings between 1933 and 1945 Andrews advocates for an informed population that demands honesty and integrity from its leaders and from each other The future of our country rests on the ability to separate the truth

from lies and Andrews compels each of us to examine our leaders claims with a critical eye His question how do you kill eleven million people is provocative but his warning is clear Only a clear understanding of the answer to this question and the awareness of an involved populace can prevent history from continuing to repeat itself as it already has time and again
