The Turning Season A Shifting Circle Novel Book 3:

The Turning Season Sharon Shinn, 2014-11-04 In national bestselling author Sharon Shinn's latest Shifting Circle novel a woman must choose between hiding her nature and risking her heart For Karadel being a shape shifter has always been a reality she couldn't escape Even though she's built a safe life as a rural veterinarian with a close knit network of shifter and human friends who would do anything for her and for each other she can't help but wish for a chance at being normal When she's not dealing with her shifts or caring for her animal patients she attempts to develop a drug that will help shifters control their changes a drug that might even allow them to remain human forever But her comfortable life is threatened by two events She meets an ordinary man who touches her heart and her best friend is forced to shift publicly with deadly consequences Now Karadel must decide whom to trust her old friends or her new love *The Starfarers Series Books 3-4*

Vonda N. McIntyre, 2021-10-12 The final two books in the most important series in science fiction from the New York Times bestselling author of Dreamsnake Ursula K Le Guin author of the Earthsea series Metaphase Cast out from interstellar civilization the crew of the Starfarer encounters an extraterrestrial whose reputation is equally bad the squidmoth Contact specialist J D Sauvage risks her life to befriend the creature trusting her instincts instead of the warnings of the alien human The welcome Sauvage receives and the connection she makes will help her overcome her innate fears and prejudices and she will be given a gift that will save her from being left behind in an empty star system as well as redeem the Starfarer and its mission Nautilus After their encounter with the squidmoth and with their ecosystem immunized by the alien human the crew of the Starfarer makes contact with representatives from the Four Worlds J D Sauvage is sent to meet the furry creatures as large as lions and as lithe as otters They have been waiting for humans for a long time But there is something they want from the Starfarer team Earth's one advantage over space civilization a new faster algorithm for interstellar navigation Praise for the Starfarers Series McIntyre is a master SF stylist creating well rounded believable and distinctive characters and she excels at lush descriptions that allow the reader to visualize the action Publishers Weekly The series features a diverse cast especially for its 1989 debut date and a series of interstellar hijinks the likes of which only McIntyre could conjure Tor.com
