A Man after God's Own Heart Brad Stewart, 2015-03-18 David was a man after God s own heart What does it mean to be someone after God s own heart David King psalmist and shepherd gives us a picture with his own life In many ways he is an extraordinary role model a man who was fully human but exceeded expectations and pointed others towards God While the other side of David is most ordinary showing a life filled with destruction chaos tragedy and his personal struggle with sin How then did David become the national hero of God s chosen people Why is he the one character in the Bible described as a man after God s own heart David s life offers hope to all of us It shows that God can do extraordinary things through ordinary men and women And David offers an insightful perspective on what it means to be truly a man to become like David men after God s own heart In this study David will delight and disappoint you At times you will desire to be just like him while at others you will want to turn and run The Life of David is one of the most colorful examples of manhood in all of Scripture You will be introduced to select key characteristics of David s life but unlike David we have time to make our lives right before God and to lovingly lead our homes This interactive study features eight weeks of individual study materials with a leader s guide and suggested teaching plans at the back of the book
