Modern Fantasies on Love versus Classical Romances Ljuba Tarvi,2023-07-14 Viewed through the lens of physics love conquers nothing is the conclusion reached when love patterns in romances are viewed through laws of quantum physics In this book based on the metaphor Love Text is Energy love in fiction is interpreted in the same way as subatomic particles are studied in quantum mechanics by investigating traces of their clashes in giant colliders i e as Marx s converted forms of the protagonists conscious and unconscious decisions and actions The book introduces the Token Valence Method which assumes that a word like an elementary particle is neither a particle nor a wave but rather a quantum state The TVM has revealed three models of love patterns in fiction adaptation 21st century alienation 20th century and imagination 1991 2021

They Suck, They Bite, They Eat, They Kill Joni Richards Bodart,2012 Teen readers have always been fascinated by monsters but lately it seems like every other young adult YA book is about vampires zombies or werewolves These works are controversial since they look at aspects of life and human nature that adults prefer to keep hidden from teenagers But this is also why they are so important They provide a literal example of how ignoring life s hazards won t make them go away and demonstrate that ignorance of danger puts one at greater risk In They Suck They Bite They Eat They Kill The Psychological Meaning ofSupernatural Monsters in Young Adult Fiction Joni Bodart examines six different monsters vampires shapeshifters zombies unicorns angels and demons in YA literature Bodart first discusses the meaning of these monsters in cultures all over the world Subsequent chapters explore their history and most important

incarnations comparing the same kind of creatures featured in different titles This volume also contains interviews with authors who provide additional insight and information and the bibliography includes a comprehensive list of titles featuring the various monsters Analyzing the most important and well written series and titles for teens *They Suck They Bite They Eat They Kill* will be useful for parents teachers and anyone else hoping to understand why teens want to read books in this genre and what some of the benefits of reading them might be ["Throw the book away"](#) Amie A. Doughty,2013-05-11

Children s literature is an excellent way to educate children on everything from social behavior and beliefs to attitudes toward education itself A major aspect of children s literature is the importance of books and reading Books represent adult authority This book examines the role that books reading and writing play in children s fantasy fiction from books that act as artifacts of power *The Abhorsen Trilogy The Spiderwick Chronicles Harry Potter* to interactive books *The Neverending Story Malice Inkheart* to books with character writers *Percy Jackson Captain Underpants* The author finds that although books and reading often play a prominent role in fantasy for children the majority of young protagonists gain self sufficiency not by reading but specifically by moving beyond books and reading *Dark Angels Revealed* Angela Grace,2011-05

Dark Angels Revealed highlights fifty of the most popular dark angels from pop culture novels movies and television including *Rose Hunter of Vampire Academy* and *Damon Salvatore of Vampire Diaries* Each entry is a revealing look into each dark angel s strengths weaknesses and special powers [Encountering Enchantment](#) Susan Fichtelberg,2015-09-29
