The Wapping Conspiracy:

The Wapping Conspiracy Richard Thomas, 2014-12-28 Joyce Becket runs a second hand bookstore in the seedier part of Greenwich in London. Never too worried about the legality of some of the material that comes his way, he is offered and purchases a strange 17th century manuscript. Suspecting that the document with its curious map may be the key to unlocking a real 300 year old pirate mystery, Joyce and his two companions set to work. The consequence is a brutal murder and increasing violence as they pursue the meaning of the letter. The story behind *The Wapping Conspiracy* is based on a genuine historical incident and suggests the answer to a pirate mystery that has puzzled historians and treasure hunters for centuries. Richard Thomas's book is based on years of research and refers to real historical material and characters. *Andy Serkis - The Man Behind the Mask* Justin Lewis, 2012-11-05 Andy Serkis is best known for his remarkable interpretation of the vengeful and obsessive Gollum in the groundbreaking *Lord of the Rings* screen trilogy. 2001-03 Landing the role presented him with a formidable challenge: helping to bring to life a computer generated character that was not just technically dazzling but emotionally credible. To play Gollum needed a performer with immense stamina and creativity requirements which for audiences and critics alike, Andy Serkis exceeded. But there is far more to Serkis than *The Lord of the Rings*. When he began work on the trilogy in 1999, he already had 15 years of experience in theatre, television and cinema portraying characters who were eccentric, complex and even monstrous. He was always determined to inject humanity and empathy into every part he played, no matter how flawed they may have seemed. It is this level of intensity and commitment that has enriched so many of his roles, from Bill Sykes to King Kong and from Albert Einstein to Ian Dury. Andy Serkis returned to the big screen in 2011 as Captain Haddock in the long awaited *The Adventures of Tintin: Secret of the Unicorn* and is now preparing to revisit the persona of Gollum for the cinematic remake of *The Hobbit*. Author Justin Lewis examines the life and career to date of this most highly principled, hard working and versatile of actors. **Employment Law** Richard Benny, Michael Jefferson (juriste), Malcolm Sargeant (juriste).), 2012 **Q and a Employment Law 2008 And 2009** Richard Benny, Malcolm Sargeant, Michael Jefferson, 2008 No matter how good your research and study skills, the ultimate test for the law student is the exam.
