The Week Of The Atoning Sacrifice:

The Week of Atoning Sacrifice Randal S. Chase, 2014-04-16 The Week of Atoning Sacrifice For This Purpose Came I Into the World is a stirring summary of the most important week in the history of our Father's universe This is the week when Jesus Christ performed His act of mercy and grace that allows all of us to overcome all things and return to our Heavenly Father The story is told in a chronological narrative that adds context and meaning to the individual events of that final week Jesus enters Jerusalem triumphant with crowds shouting Hosanna But one week later those same crowds demanded that the Romans Crucify Him The intervening events show how Jesus ministered to the people healing and forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem's religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some process that is beyond our comprehension He suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgatha by Carl Bloch

[Jewish Answers to Jewish Questions Concerning the Messiahship of Jesus](#) Joseph David Office,2007 This book will explore the Old Testament roots of Christianity and how that Judaism and Christianity are inherently the same this book expounds the well founded connection to Jesus and the ancient prophetic writings Prophecy is one of the single most powerful pieces of evidence of the supernatural workings of God on earth and hence a focal point for establishing the Messiahship of Jesus This book is essential for any non believer seeking a case for why he or she should believe that Jesus died was resurrected and that He is ultimately the Savior of our souls In addition the knowledge and understanding that can be gained are not just relevant for non believers but the book is also a powerful tool for Christians who don t know everything there is to know about Messianic prophecy When Christians also understand the true potency of their own faith they are better able to teach Christ to others The author is a recent college graduate having earned his BS in Biology from Valdosta State University in 2005 His life in serving God began at the age of 13 at which time he personally experienced the life changing power of Christ and hence the purpose filled journey began Now he hopes to help others to experience the miraculous power of Jesus that he experienced In relation to the writing of this book the inspiration was born out of a love for the Jewish people and a desire to see all of God s lost sheep saved In addition he also hopes to enlighten everyday Christians making them more aware of the power of the surety of their hope in Christ He currently resides in the southeastern United States

millennia Social Issues **Lamb of the Free** Andrew Remington Rillera,2024-03-13 Lamb of the Free analyzes the different sacrificial imagery applied to Jesus in the NT in light of the facts that a there is no such thing as substitutionary death sacrifice in the Torah neither death nor suffering nor punishment of the animal has any place in the sacrificial system and b there are both atoning and non atoning sacrifices Surprisingly the earliest and most common sacrifices associated with Jesus s death are the non atoning ones Nevertheless when considering the whole NT Jesus is said to accomplish all the benefits of the entire Levitical system from both atoning and non atoning sacrifices and purification Moreover all sacrificial interpretations of Jesus s death in the NT operate within the paradigm of participation which is antithetical to notions of substitution The sacrificial imagery in the NT is aimed at grounding the exhortation for the audience to be conformed to the cruciform image of Jesus by sharing in his death The consistent message throughout the entire NT is not that Jesus died instead of us rather Jesus dies ahead of us so that we can unite with him and be conformed the image of his death **The London Christian instructor, or, Congregational magazine** ,1823 A Week's Meditations previous to returning to the ordinary religious duties of life after receiving the Holy Sacrament ...
