The Wild Swans (Illustrated) Hans Christian Anderson,2018-09-29 Rare edition with unique illustrations Hans Christian Andersen was a Danish author best known for writing children s stories including The Little Mermaid and The Ugly Duckling But he didn t just write short stories and his intended audience wasn t restricted to children In addition to his fairy tales Andersen wrote poems plays novels travel books essays and more He hungered for recognition at home Denmark and abroad and he got it Eventually Today his stories can be read in over one hundred languages But no matter what language they re in Andersen s tales have got something for everyone In them you ll find beauty tragedy nature religion artfulness deception betrayal love death judgment penance and occasionally a happy ending They re complex tales but since Andersen himself was pretty complex we like to think that art imitates life Or something like that The Wild Swans is a literary fairy tale by Hans Christian Andersen about a princess who rescues her eleven brothers from a spell cast by an evil queen
