The 150 Healthiest Foods on Earth, Revised Edition Jonny Bowden, 2017-08-29 A complete guide to the healthiest foods you can eat and how to cook them The Wisdom of Menopause Christiane Northrup, 2001-03 Dr Christiane Northrup has become one of American women's most trusted medical advisers In *Women's Bodies* *Women's Wisdom* she broke entirely new ground by demonstrating that women's most common medical problems are often rooted in the basic conditions of their lives and that they can return to health by learning to listen to their bodies She also integrated advanced medical techniques with the best natural remedies offering readers specific guidance on choosing the right approach for themselves Now in *The Wisdom of Menopause* Dr Northrup once again challenges convention The change is not simply a collection of physical problems to be fixed whether with hormones or herbs but a mind body revolution that brings the greatest opportunity for growth since adolescence This vitally important new book examines the connection between menopause and a woman's emotional and spiritual life And it stresses how the choices a woman makes now from the quality

of her relationships to the quality of her diet either secure her health and well being for the rest of her life or put her future at risk Dr Northrup draws on her own life changing experiences as well as on many intimate case histories to explore the transformative power of these years Readers will learn how menopause literally rewires the brain triggering a shift of priorities from nesting and caretaking to personal growth and equality how to listen for the wake up calls inherent in women's cyclic nature from PMS to SAD to menopausal symptoms how the body adjusts naturally to changing hormones and how to make personalized decisions about HRT and alternative supplements how to rebalance metabolism shifts and prevent middle age spread how to deal with the myths and realities of sexual changes and appearance issues how to prevent long term health problems such as heart disease hormone related cancers and memory loss Candid and reassuring The Wisdom of Menopause elucidates the changes women should expect from ages 40 to 55 and shows how these changes can be wonderfully life affirming Instead of dreading menopause as a time of loss women will hear the real message their bodies are sending that this is a time of personal empowerment and positive energy and a time for women to break free and thrive
