

STAAR English I Practice Test (9th Grade Edition)

Section 1: Understanding and Analyzing Texts

Read the following passage and answer questions 1-7:

The old house stood silently at the end of Maple Street, its weathered clapboards and sagging roof a testament to years of neglect. Once a proud family home, it now cast long shadows across the overgrown lawn, its windows dark and empty like the sockets of a skull. Neighborhood children whispered stories of ghosts and monsters lurking within its walls, their imaginations fueled by the mysterious aura that seemed to cling to the structure like a shroud.

But for Sarah, the house represented something entirely different. Where others saw decay and abandonment, she saw potential and history. As a young architect with a passion for restoration, Sarah had always been drawn to buildings with character and stories to tell. This house, with its Victorian gables and intricate woodwork barely visible beneath years of grime, called to her like a siren's song.

As she stood on the cracked sidewalk, sketchbook in hand, Sarah's mind raced with possibilities. She imagined peeling away layers of old wallpaper to reveal hidden treasures, replacing rotted floorboards with reclaimed wood that echoed the home's original charm, and bringing light back into rooms that had been dark for far too long.

With a deep breath, Sarah took her first step toward the house, leaves crunching beneath her feet. She knew the road ahead would be long and challenging, but the promise of breathing new life into this forgotten gem filled her with determination. As she reached for the tarnished doorknob, Sarah couldn't help but feel that she wasn't just opening a door to an old house – she was opening a door to the past, and to her own future.

1. What is the main idea of the passage?
 - A) The house is haunted and dangerous.
 - B) Sarah is afraid of the old house.
 - C) The neighborhood children enjoy telling ghost stories.
 - D) Sarah sees potential in restoring the old house.

2. Which word best describes the author's tone in the passage?
 - A) Fearful
 - B) Hopeful
 - C) Angry
 - D) Indifferent
