Mosquito Richard Jones,2013-02-15 Bug zappers were invented for one purpose to kill mosquitoes the bane of many summer evenings camping trips and exotic vacations These blood sucking insects do more than leave us with itchy bites though The diseases they carry and inject such as yellow fever dengue fever and the West Nile virus make them responsible for more human deaths than any other animal The most deadly of these malaria has been mostly eradicated from the northern hemisphere but it continues to pose a mortal threat in developing countries It kills nearly 700 000 of the 350 million that succumb to the infection each year and the majority of the deaths occur in sub Saharan Africa Drawing on scientific fact historical evidence and literary evocation Mosquito provides a colorful portrait of this tiny insect and the notorious diseases it carries Richard Jones explores the mosquito s sinister reputation tracing its transformation from trivial gnat into a serious disease carrying menace While Jones recounts the history of mosquitoes relationship with humans he also offers a persuasive warning against the contemporary complacency surrounding malaria and other diseases in Western society Mosquito is a compelling look at tropical medicine diseases and their connection to one of our smallest adversaries

Mass Killers David J. Krajicek,2019-05-15 Can you predict killing sprees What do mass killers have in common Why do so many of them write manifestos online and what do these tell us These are some of the questions David J Krajicek seeks to answer in Mass Killings on a topic that is becoming increasing urgent and desperate In recent decades mass shootings worldwide have increased in their savagery and frequency Nearly all mass killers are male and many of them are bound together by misogyny misanthropy and racism They do not just snap They plan their assaults for months or years drawing up detailed battle plans

and accumulating weaponry They document the process in journals or videos online understanding that they are leaving evidence which will help the marquee lights of their futile crimes burn brighter and longer Krajicek shows the commonalities between mass shooters and describes the psychopathic process that leads these troubled men to commit atrocities Mass killers feed off each other's words and deeds and it's crucial to be able to read the signals they give out to prevent future tragedies

The Slip Lucas Schaefer, 2025-06-03 Austin Texas It's the summer of 1998 and Nathaniel Rothstein has vanished without a trace His uncle Bob Alexander who was supposed to be looking after him for the summer had long thought the boy a bit odd but Nathaniel appeared to be maturing in his sixteenth year taking up boxing at Terry Tucker's Boxing Gym and volunteering at the local assisted living center Until he disappeared Nathaniel had seemed happier more confident tanner even Across the city Charles Rex now going by simply X has been undergoing a teenage transformation of his own trolling the phone sex hotline that his mother works day and night seeking an outlet for everything that feels wrong about his body looking for intimacy and acceptance in a culture that denies him both As a surprising and unlikely romance blooms X feels for a moment like he might have found the safety he's been searching for But it's never that simple More than a decade later after Bob Alexander receives a shocking tip he becomes determined to solve the mystery of his missing nephew He'll need the help of the eclectic crew down at Terry Tucker's to put the pieces of this always evolving story back together including Alexis Cepeda an up and coming lightweight fighter who crossed the US Mexico border when he was only fourteen carrying with him a now errant driver's license bearing the wrong name and face Bobbing and weaving across the ever shifting canvas of a changing country **The Slip** is an audacious daring look at sex and race in America that builds to an unforgettable collision in the center of the ring
