Silken Dreams Sharon Green,1994 *Unravelled Dreams* Ben Marsh,2020-04-23 One of the greatest hopes and expectations that accompanied American colonialism from its earliest incarnation was that Atlantic settlers would be able to locate new sources of raw silk with which to satiate the boundless desire for luxurious fabrics in European markets However in spite of the great upheavals and achievements of Atlantic plantation this ambition would never be fulfilled By taking the commercial failure of silk seriously and examining numerous experiments across New Spain New France British North America and the early United States Ben Marsh reveals new insights into aspiration labour environment and economy in these societies Each devised its own dreams and plans of cultivation framed by the particularities of cultures and landscapes Writ large these dreams would unravel one by one the attempts to introduce silkworms across the Atlantic world ultimately constituted a step too far marking out the limits of Europeans seemingly unbounded power The New Silk Road John B. Hillcrest,2014-06-04 To Glee stress is a mountain and is explored in this her 3rd book of poetry Being a lifelong schizophrenic she understands pain and despair but humbly celebrates life with joy and thankfulness while always looking for the good in people and the beauty in the world around her Glee wants to encourage ideas of coping with stress by looking at it and putting it into perspective with the understanding that no one is alone on this journey through life These poems are predominantly dark with sadness as stress can affect someone **Lila and the**

Dream Weaver Robin Wickens,2024-11-08 On the edge of a quiet village where the stars seemed to hang lower than anywhere else eight year old Lila lay awake staring out her window at the night sky The world was still the kind of silence that felt magical as if all of creation were holding its breath Lila clutched a small silver pendant her grandmother had given her This pendant will guide you to your dreams her grandmother had said smiling mysteriously Lila had often wondered what those words meant Tonight the stars were unusually bright sparkling like diamonds scattered across a sea of dark velvet And then as she gazed into the sky something strange happened a soft light appeared near her window swirling gently like a tiny wisp of starlight Mesmerized Lila watched as the light began to move drifting toward the edge of the village as if beckoning her to follow With her heart pounding Lila slipped out of bed wrapping herself in her favorite woolen blanket and sneaking quietly out the door Her parents were asleep and the house was silent save for the gentle ticking of the old clock in the hall Barefoot she followed the light through the village streets and out to the meadow feeling as if she were stepping into one of her grandmother s magical stories At the center of the meadow bathed in the moon s soft glow stood a figure unlike any she d ever seen He was tall and graceful with flowing robes that shimmered like threads of stars and his face was kind and wise as if he held all the secrets of the universe This was the Dream Weaver a being her grandmother had often spoken of in hushed reverent tones the guardian of dreams Hello Lila he said in a voice like a gentle breeze Somehow he already knew her name Are you are you the Dream Weaver Lila whispered half afraid he might disappear if she spoke too loudly The figure nodded his gaze warm I am I watch over the dreams of all who sleep guiding them through the night Lila s eyes sparkled with excitement and wonder Why are you here she asked The Dream Weaver s face softened as he reached out his hand I have come to show you a place few ever see a world beyond the stars where dreams are born If you re brave enough to follow I ll show you the magic hidden within your own dreams Lila hesitated glancing back at her village at the tiny rooftops and softly glowing windows of the homes around her But curiosity and a yearning for adventure tugged at her heart She reached out placing her small hand in the Dream Weaver s feeling an unexpected warmth spread through her In an instant the meadow and village faded away replaced by a world unlike anything she had ever imagined a realm woven of stardust moonlight and endless possibilities As they drifted into this dream realm Lila felt a thrill of wonder knowing that tonight was just the beginning of a journey that would change her life forever
