

## Measurements in Similar Polygons

In each group below, the polygons given are similar (although not necessarily drawn to scale). Fill in the blanks with the missing side and angle measurements working under that assumption.

|                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                           |
