Members' contributions show the funds generally met the targets of £1.25 per person. Managing authorities' expenditure on supplementary activities was around 10 per cent of budget (only 10 per cent in the case of the three smaller, non-rural districts) but supplementary activities were only 10 per cent of the total funds raised. The majority of the remainder was spent on the general budget. Although the majority voted in the referendum in favour of the new council, the vote showed that some would pay rather than have their general budget cut, and others would rather have their general budget cut than have supplementary activities cut.
