Re: Recommendations in anticipation of revisions to the Qualified Intermediary Agreement

Dear Gentlemen and Madams:

The Securities Industry and Financial Markets Association ("SIFMA")¹ is pleased to submit comments on the Qualified Intermediary ("QI") Agreement² in advance of anticipated revisions. While we understand the Internal Revenue Service's ("IRS") intention to publish a final version without an advance opportunity for public comment, we hope our recommendations will be taken under consideration. SIFMA members may have additional comments once the final agreement is published as well.

¹ SIFMA is the leading trade association for broker-dealers, investment banks and asset managers operating in the U.S. and global capital markets. On behalf of our industry's nearly 1 million employees, we advocate for legislation, regulation and business policy, affecting retail and institutional investors, equity and fixed income markets and related products and services. We serve as an industry coordinating body to promote fair and orderly markets, informed regulatory compliance, and efficient market operations and resiliency. We also provide a forum for industry policy and professional development. SIFMA, with offices in New York and Washington, D.C., is the U.S. regional member of the Global Financial Markets Association (GFMA).
