Parker,Helen Brann,2014-10-23 It s December in Boston and Spenser is busy planning the menu for Christmas dinner when he s confronted in his office by a young boy named Slide who has found refuge with an organisation named Street Business providing shelter and job opportunities for the homeless and lost Slide s mentor Jackie Alvarez is being threatened and Street Business is in danger of folding turning Slide and many others like him back on the street But it s not a simple case of intimidation Spenser finds a trail that leads to a drug kingpin A Christmas good deed could turn bad Spenser's International Style David Scott Wilson-Okamura,2013-06-06 David Scott Wilson Okamura reframes long standing questions about Edmund Spenser s style in the wider context of long term European trends *Detectives in the Shadows* Susanna Lee,2020-08-04 A century of American history reflected in the iconic private eye Steadfast in fighting crime but operating outside the police force and sometimes even the law is the private detective Driven by his own moral code he is a shadowy figure in a trench coat standing on a street corner his face most likely obscured by a tilted fedora a lit cigarette dangling from his hand The hard boiled detective is known by his dark past private pain and powers of deduction He only asks questions never answers them In his stories he is both the main character and the narrator America has had a love affair with the hard boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law And nowhere did this hero shine more than in crime fiction In *Detectives in the Shadows* literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones Lee explores how this character type morphs to fit an increasingly troubled world offering compelling interpretations of *The Wire* *True Detective* and *Jessica Jones* Suddenly in the present day the hard boiled detective wears his or her fatigue outwardly revealing more vulnerability than ever before But the detective remains resolute in the face of sinister forces ever the person of honor For anyone interested in crime fiction and television or for those wanting to understand America s idolization of the good guy with a gun *Detectives in the Shadows* is essential reading **A Reference Guide to Edmund Spenser** Frederic Ives Carpenter,1923 The life The works Criticism influence allusions Various topics Index **The Poetical Works of Edmund Spenser im Eight Volumes from the Text of Mr. Upton**

Law and Popular Culture Michael Asimow,Kathryn Brown,David Papke,2014-06-12 Commentators have noted the extraordinary impact of popular culture on legal practice courtroom proceedings police departments and government as a whole and it is no exaggeration to say that most people derive their basic understanding of law from cultural products Movies television programs fiction children's literature online games and the mass media typically influence attitudes and impressions regarding law and legal institutions more than law and legal institutions themselves Law and Popular Culture International Perspectives enhances the appreciation of the interaction between popular culture and law by underscoring this interaction's multinational and international features Two dozen authors from nine countries invite readers to consider the role of law related popular culture in a broad range of nations socio political contexts and educational environments Even more importantly selected contributors explore the global transmission and reception of law related cultural products and in particular the influence of assorted works and media across national borders and cultural boundaries The circulation and consumption of law related popular culture are increasing as channels of mass media become more complex and as globalization runs its uncertain course Law and Popular Culture International Perspectives adds to the critical understanding of the worldwide interaction of popular culture and law and encourages reflection on the wider implications of this mutual influence across both time and geography **An Index to Familiar Quotations, Selected Principally from British**

Parker's Silent Night** Helen Brann,2014 Historical Outlines of English Syntax Leon Kellner,1892 *Remarks on Spenser's Poems* John Jortin,1734 Shakespeare's Sugared Sonnets Katharine M. Wilson,2021-03-30 In the course of some research into the musical element in English poetry Dr Wilson read the work of the Elizabethan sonneteers chronologically and was struck by a suspicion that Shakespeare's sonnets were parodies Later she carried out a more thorough investigation and this book originally published in 1974 is the product her early impressions had been justified beyond all expectation Her investigation involved examining the background of each of Shakespeare's sonnets and this in itself is a contribution to scholarship A surprising number of them are shown to be direct parodies of particular sonnets all of them guy the sonnet convention and the more difficult ones are easily explained by this hypothesis Fresh correspondences between Shakespeare and his predecessors have come to light and his relationship with them is seen to be mocking This is demonstrated in his borrowings from Ovid also while the opening seventeen sonnets gain point as parody of Erasmus on marriage The book opens

with a short note on the origin of the sonnet in song chivalric love and Plato The sonnet theme in Shakespeare's early comedies is treated freshly and the author throws light on the plays from a new angle In the final chapter among other themes the implication of dating is considered and here too some new material is discussed However Dr Wilson is aiming at a wider readership than that of scholars alone She has a view of Shakespeare as a young man catering for young man laughter as she puts it and she never loses sight of this aspect in her study Although the academic basis is there the presentation is not academic Her aim is clearly to share the joke with her readers *Spenser Allusions in the Sixteenth and Seventeenth Centuries*, 1972 The chronological arrangement of entries depends on the earliest known appearance of each allusion in manuscript under year of composition in book form under year of publication The usefulness of the catalog is increased by alphabetical indexes of the names of allusion makers and the titles of works in which the allusion appear the names of persons alluded to and the Spenserian passage to which individual allusions occur Originally published in 1973 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Works of the English Poets, from Chaucer to Cowper;: Spencer, Daniel** Alexander Chalmers, Samuel Johnson, 1810 *The Jack Reacher Field Manual* George Beahm, 2016-01-19 You don't know Jack Jack Reacher that is In The Jack Reacher Field Manual An Unofficial Companion to Lee Child's Reacher Novels from ex Army major and New York Times bestselling author George Beahm get up close and personal with Reacher like never before The only book of its kind the Field Manual draws on 17 years of interviews novels stories and more to demystify author Lee Child's larger than life name taking quick thinking one man avenger Child calls the Reacher novels almost entirely autobiographical and The Jack Reacher Field Manual seamlessly integrates the literary creator and his creation to provide the most complete portrait of Jack Reacher available Dive into Jack Reacher's life with A detailed dossier on Reacher and his life at West Point and in the Army's Military Police Corps Reacher's rules of engagement including how he handles a street brawl A full color drifter's roadmap of the US detailing the places Reacher has visited in the novels Reacher's philosophy for surviving under the radar A biography on Child and an A to Z list of the key people places and things in his life And more including a glossary of US Army acronyms that appear in the series and a comprehensive reading list of Reacher novels novellas and stories The Jack Reacher Field Manual belongs in the fatigue jacket of any fan craving more information about this internationally popular literary antihero [A Treasury of English Sonnets](#) David M.
