Silver Return To Treasure Island:

Silver Andrew Motion, 2012-05-29 July 1802 In the marshy eastern reaches of the Thames a young boy spends his days roaming the mist shrouded estuaries and listening to his father's tales of adventures on the high seas of curses murder and revenge black spots and buried treasure and of a man with a wooden leg It's almost forty years after the events of Robert Louis Stevenson's *Treasure Island* Jim Hawkins now runs an inn called the Hispaniola on the English coast with his son Jim and Long John Silver has returned to England to live in obscurity with his daughter Natty Their lives are quiet and unremarkable their adventures have seemingly ended But for Jim and Natty the adventure is just beginning One night Natty approaches young Jim with a proposition return to *Treasure Island* and find the rest of the treasure that their fathers left behind so many years before Jim joins Natty aboard a ship the *Nightingale* and the new friends set out to sail in their fathers footsteps But their journey is fraught with murderous pirates long held grudges and greed and deception lurking in every corner When they arrive on *Treasure Island* they find terrible scenes awaiting them and difficulties which require all their wit as well as their courage Nor does the adventure end there since they have to sail homeward again Andrew Motion has written a truly accomplished work of literature rollicking heartfelt and utterly brilliant that would make Robert Louis Stevenson proud

Silver Andrew Motion, 2013-05-14 THE RIP ROARING SEQUEL TO THE GREATEST ADVENTURE EVER TOLD Almost forty years following the events of Robert Louis Stevenson's *Treasure Island* Jim Hawkins and Long John Silver have seemingly put their maritime adventures to rest Jim has settled on the English coast with his son Jim and Silver has returned to rural England with his daughter Natty While their escapades may have ended for Jim and Natty the adventure is only just beginning One night Natty approaches young Jim with a proposition return to *Treasure Island* and find the remaining treasure that their fathers left behind As they set sail in their fathers footsteps Jim and Natty cannot imagine what awaits them Murderous pirates long held grudges noxious greed and wily deception lurk wickedly in the high seas and disembarking onto *Treasure Island* only proves more perilous Their search for buried treasure leaves every last wit tested and ounce of courage spent And the adventure doesn't end there since they still have to make their way home [The Return to Treasure Island](#) Raymond Barnett, 2011-05-09 When Long John Silver lures Jim Hawkins back to the Caribbean for Flint's second hoard they stumble on perplexing clues to an ancient Chinese treasure Two orphan girls in Havana help them unlock the secret Tabitha a runaway slave who saw her mother killed by the Spanish Commandante lives only for revenge Meilu the last of an old Chinese colony in Havana lost her family to smallpox Teetering on the edge of womanhood and wondering about the transformation the two girls join with Hawkins and Silver in the quest for the treasure Together they solve the mystery of four strange seashells in Billy Bones sea chest and fight Chinese mercenaries holding the key to Meilus family history In a sea cave below the Commandantes fortress they come face to face with a Chinese sea goddess who has guarded the Emperors jade ceramics and silk for 300 years In the end Hawkins and Silver battle the Spanish garrison as the two

young girls face the Commandante on the ramparts of the fortress but now they know who they are and can draw on the strength of their destiny

Silver Andrew Motion, 2013-04-04 I always liked your father he was a lad of spirit He was clever enough to know the value of an adventure at any rate and brave enough to carry it out What adventure I asked although I already knew the answer Why the map of course boy Long John Silver's voice rose into something of a scream The map and then the treasure across the sea All the beautiful silver we left there Your father and I only took what we could carry But there's more Silver lying in the ground and the map will tell you where Think of the fortune waiting for you With that encouragement young Jim Hawkins and Silver's daughter Natty set off in the footsteps of their fathers They are determined to find Captain Flint's hidden treasure But the thrill of the ocean journey soon gives way to terror as the Nightingale reaches its destination Treasure Island is not uninhabited as it once was

Return to Treasure Island Revenge of Silver Nikki Crawford, 2019-02-16 Long John Silver adopted a boy and raised him as his apprentice because of Jim's refusal who then had a child of his own this apprentice of Long John Silver hunts down and kidnaps Jim's daughter and takes her to treasure island to lead Jim into a trap
