Similar In Genova English Edition:

Genoa, the periphery and historical centres Paolo Fusero, 2005 [Index to the Catalogue of Books in the Upper Hall of the Public Library of the City of Boston](#) Boston Public Library, 1861 **Index to the Catalogue of Books in the Bates Hall of the Public Library of the City of Boston**, 1865 **Index to the catalogue of books in the upper hall** Boston Mass, publ. libr, 1861 **The Routledge Companion to Translation Studies** Jeremy Munday, 2009-01-13 The Routledge Companion to Translation Studies brings together clear detailed essays from leading international scholars on major areas in Translation Studies today This accessible and authoritative guide offers fresh perspectives on linguistics context culture politics and ethics and contains a range of contributions on emerging areas such as cognitive theories technology interpreting and audiovisual translation Supported by an extensive glossary of key concepts and a substantial bibliography this Companion is an essential resource for undergraduates postgraduates researchers and professionals working in this exciting field of study Jeremy Munday is Senior Lecturer in Spanish and Translation Studies at the University of Leeds He is the author of *Introducing Translation Studies* *Translation An Advanced Resource Book* with Basil Hatim and *Style and Ideology in Translation* all published by Routledge An excellent all round guide to translation studies taking in the more traditional genres and those on the cutting edge All the contributors are known experts in their chosen areas and this gives the volume the air of authority required when dealing with a subject that is being increasingly studied in higher education institutions all over the world Christopher Taylor University of Trieste Italy [Genoa's Freedom](#) Matteo Salonia, 2017-02-24 This book investigates the economic intellectual and political history of late medieval and early modern Genoa and the historical origins of the Genoese presence in the Spanish Atlantic Salonia describes Genoa's late medieval economic expansion and commercial networks through several case studies from the Black Sea to southern England and briefly compares it to the state run military expansion of Venice's empire The author links the adaptability and entrepreneurial skills of Genoese merchants and businessmen to the constitutional history of the Genoese commune and to the specific idea of freedom progressively protected by its constitutions and embodied by institutions like the Bank of St George Moreover this book offers an unprecedented account of the actions with which Ferdinand the Catholic protected Genoese merchants in his dominions and of the later mutual understanding between the Genoese community and emperor Charles V during the Italian Wars and in particular during the 1520s These developments in Hispanic Genoese diplomatic and economic relations are of great significance The sixteenth century Hispanic Genoese alliance is important to understand the characteristics of Habsburg governance and the resilience of Genoa's republican conservatism Genoa's republicanism based on private wealth and private arms contradicts historiographical narratives that assume the inevitability of the emergence of the modern militarized and centralized state It also shows the inadequacy of Tuscan centric historical accounts of Renaissance republicanism The last chapter of the book reveals the consequences of the 1528 Hispanic Genoese alliance by considering

case studies that illustrate the Genoese presence in the Spanish Americas from Chile to Mexico since the early stages of conquest and settlement *Caffaro, Genoa and the Twelfth-Century Crusades* Mr Martin Hall, Professor Jonathan Phillips, 2013-10-28 This volume provides the first comprehensive English translation with a substantial introduction and notes of the writings of Caffaro of Genoa as well as related texts and documents on Genoa and the crusades The majority of early crusading historiography is from a northern European and clerical perspective Here is a very different voice one with a more secular Mediterranean tone To see the similarities and differences with the mainstream sources offers an exciting new dimension to our understanding of the reception of crusading ideas in the Mediterranean and given Genoa's prominence in the commercial world can help to illuminate the complex and controversial relationship between holy war and financial gain Caffaro's main composition the *Annals of Genoa* began with the First Crusade and extended down to 1163 It also covers the city's dealings with the Papacy the German Empire Sicily Muslim Spain and Pisa as well as the development of Genoa itself Sections from Caffaro's continuators take the story down to the Third Crusade Caffaro's two other texts are exclusively about the crusades *The Liberation of the Cities of the East* and *The Capture of Almeria and Tortosa* while associated with him but of a later date is the *Short History of Jerusalem* Alongside these narratives are a number of charters and letters that relate to and complement the main texts These relate to matters such as Genoese privileges in the Holy Land and form a valuable resource in their own right Placed alongside Caffaro's narratives they can show the blend of commercial energy civic pride and religious conviction that were the basis of Genoese activity in the complex world of the medieval Mediterranean

Documenting the Undocumented Marta Caminero-Santangelo, 2017-10-10 Looking at the work of Junot Díaz Cristina García Julia Alvarez and other Latino authors who are U.S. citizens Marta Caminero-Santangelo examines how writers are increasingly expressing their solidarity with undocumented immigrants Through storytelling these writers create community and a sense of peoplehood that includes non-citizen Latino as This volume also foregrounds the narratives of unauthorized migrants themselves showing how their stories are emerging into the public sphere Immigration and citizenship are multifaceted issues and the voices are myriad They challenge common interpretations of illegal immigration explore inevitable traumas and ethical dilemmas protest their own silencing in immigration debates and even capitalize on the topic for the commercial market Yet these texts all seek to affect political discourse by advancing the possibility of empathy across lines of ethnicity and citizenship status As border enforcement strategies escalate along with political rhetoric detentions and deaths these counternarratives are more significant than ever before and their perspectives cannot be ignored What we are witnessing argues Caminero-Santangelo is a mass mobilization of stories This growing body of literature is critical to understanding not only the Latino immigrant experience but also alternative visions of nation and belonging *British Museum Catalogue of printed Books*, 1885 *Catalogue Or Alphabetical Index of the Astor Library*, 1858 Constitutional Innovation and Same-Sex Desire in D'Annunzio's *Fiume*, 1919-1920 Aleardo Zanghellini, 2024-12-15 Drawing on novel

archival evidence that sheds light on Anglo Italian diplomatic relations and the French Italian contest for power in the Adriatic this book recounts the story of decadent poet Gabriele D Annunzio s occupation of Fiume Determining the fate of this Italian enclave in coastal Croatia had proved impossible at the Paris Peace Conference In September 1919 D Annunzio and his legionnaires installed themselves in Fiume in a bid to embarrass Italy into declaring its annexation In the months that followed the poet did his best to fashion Fiume into his ideal political community culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet s socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D Annunzio s Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D Annunzio s love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre

Theophrastean Studies William W. Fortenbaugh, 2003 Theophrastus of Eresus was Aristotle s successor as head of the Peripatetic School He is best known for a humorous collection of character sketches but his importance in antiquity and for the history of thought in general is much greater He was the founder of systematic botany and his work on logic went well beyond that of Aristotle as did his interest in rhetoric and poetics He was the first to collect the laws of different city states and in ethics he emphasized manners as well as moral virtue In recent years his importance has been more fully appreciated through the efforts of Professor William Fortenbaugh who founded Project Theophrastus an international undertaking whose goal has been to collect edit and comment on the fragments of Theophrastus While leading this project Professor Fortenbaugh has been writing on Theophrastus highlighting his achievements and making connections between areas like logic and rhetoric psychology and religion ethics and politics The present volume brings together for the first time twenty two of his essays

HENRY G. BOHN'S CATALOGUE OF BOOKS HENRY J. BOHN, 1847 *A Catalogue of Books* Henry George BOHN, 1848 Bradshaw's continental [afterw.] monthly continental railway, steam navigation & conveyance guide. June 1847 - July/Oct. 1939 George Bradshaw, 1866 **Catalogue of Books Added to the Library of Congress**, 1861 **Alphabetical Catalogue of the Library of Congress** Library of Congress, 1878 *Tragedies. Romeo and Juliet* William Shakespeare, 1847 **Shakespeare's Plays** William Shakespeare, 1847 *The Encyclopedia of Christian Literature* George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and

their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles
