Journal of Agricultural and Applied Economics ,1994 **Business Innovation and Development in Emerging Economies** Irwan Trinugroho,Evan Lau,2019-05-22 Business Innovation driven by the advancement of technology has dramatically changed the business landscape over recent years not only in advanced countries but also in emerging markets It is expected that business innovation could help achieve economic inclusion which has been a global initiative over the last decade creating opportunities for all people to benefit from the economic development These proceedings provide an outlet for discussing the importance of business innovation especially in emerging countries in helping to reach inclusive economies The papers cover the subject areas management accounting finance economics and social sciences **Arkansas Rice Research Studies, 1995** ,1996 Agricultural Resources and Environmental Indicators Economic Research Service Reference Center (U.S.),United States. Department of Agriculture. Economic Research Service,1994 Reaching the Poor with Poverty Projects John Weiss,2004 Poverty targeting programs can be viewed as a form of project which involve administrative and other costs and which aim to generate benefits in the form of higher income or welfare for the poor However they often suffer from high leakage with the better off capturing much of the benefits Experience suggests that important as such programs are getting them to work effectively is very difficult , **Global Imbalances, Financial Crises, and Central Bank Policies** Andreas Steiner,2016-07-25 Global Imbalances Financial Crises and Central Bank Policies assesses the relationships between global imbalances financial crises and central bank policies with a specific focus on their reserves The book contains a strictly international perspective with an analysis based on empirical research that enables the reader to develop an analytical model that emphasizes interactions among individual central banks With this innovative approach the book develops a new method for defining an optimal demand for reserves In addition the book describes implications for financial reforms that might ultimately be more important than its empirical findings Presents a systematic account of the relationship between the build up of reserves and central bank policies Emphasizes a global view of currency reserves which is usually ignored in analyses of their effect Includes datasets as well as all illustrations and figures in online ancillary materials **Resources in Education** ,1988 *Risk Management for the Future* Jan Emblemståg,2012-04-25 A large part of academic literature business literature as well as practices in real life are resting on the assumption that uncertainty and risk does not exist We all know that this is not true yet a whole variety of methods tools and practices are not attuned to the fact that the future is uncertain and that risks are all around us However despite risk management entering the agenda some decades ago it has introduced risks on its own as illustrated by the financial crisis Here is a book that goes beyond risk management as it is today and tries to discuss what needs to be improved further The book also offers some cases **Energy Abstracts for Policy Analysis** ,1982 *The African Journal of Finance and Management* ,2004-07 **Research Series** ,1985 **Analytical Political Economy** Roberto Veneziani,Luca

Zamparelli, 2018-04-09 Offering a unique picture of recent developments in a range of non conventional theoretical approaches in economics this book introduces readers to the study of Analytical Political Economy and the changes within the subject Includes a wide range of topics and theoretical approaches that are critically and thoroughly reviewed Contributions within the book are written according to the highest standards of rigor and clarity that characterize academic work Provides comprehensive and well organized surveys of cutting edge empirical and theoretical work covering an exceptionally wide range of areas and fields Topics include macroeconomic theories of growth and distribution agent based and stock flow consistent models financialization and Marxian price and value theory Investigates exploitation theory trade theory the role of expectations and animal spirits on macroeconomic performance as well as empirical research in Marxian economics *Situation and Outlook Yearbook*, 1999 Dictionary of Finance and Investment Terms John Downes, Jordan Elliot Goodman, 2014-04-04 More than 5 000 terms related to stocks bonds mutual funds banking tax laws and transactions in the various financial markets are presented alphabetically with descriptions The new ninth edition has been updated to take account of new financial regulations and recent dramatic swings in equities credit and other financial developments Readers will also find a list of financial abbreviations and acronyms as well as illustrative diagrams and charts Here s a valuable thorough dictionary for business students financial professionals or private investors *The Carbon Fix* Stephanie Paladino, Shirley J Fiske, 2016-11-18 Given the growing urgency to develop global responses to a changing climate The Carbon Fix examines the social and equity dimensions of putting the world s forests and necessarily the rural people who manage and depend on them at the center of climate policy efforts such as REDD intended to slow global warming The book assesses the implications of international policy approaches that focus on forests as carbon and especially forest carbon offsets for rights justice and climate governance Contributions from leading anthropologists and geographers analyze a growing trend towards market principles and financialization of nature in environmental governance placing it into conceptual critical and historical context The book then challenges perceptions of forest carbon initiatives through in depth field based case studies assessing projects policies and procedures at various scales from informed consent to international carbon auditing While providing a mixed assessment of the potential for forest carbon initiatives to balance carbon with social goals the authors present compelling evidence for the complexities of the carbon offset enterprise fraught with competing interests and interpretations at multiple scales and having unanticipated and often deleterious effects on the resources and rights of the world s poorest peoples especially indigenous and rural peoples The Carbon Fix provides nuanced insights into political economic and ethical issues associated with climate change policy Its case approach and fresh perspective are critical to environmental professionals development planners and project managers and to students in upper level undergraduate and graduate courses in environmental anthropology and geography environmental and policy studies international development and indigenous studies **Religious Telescope**, 1909 **Scientific and Technical Aerospace**
