The Simple Power of a Broken Life J. Daniel Moore, 2019-05-30 The Simple Power of a Broken Life serves to bring meaning to and ultimately healing from the suffering and pain that accompanies the broken seasons of our lives Drawing upon the brokenness of seven individuals from the Scriptures and their respective pain a picture of hope and usefulness emerges that serves to begin to make sense of the mysteries betrayals rejections heartaches and disappointments that we all eventually come into contact with in one form or another Not only do we each matter to God but our brokenness actually sets us apart as being more likely to be used to impact other lives Being fully convinced that God uses broken things we find that our brokenness is the starting point in a deeper more intimate experience with God Broken lives may experience a beautiful and simple power in the midst of their pain and suffering that the Father can use as a rich blessing for other wounded souls My strong desire is that the purpose of your pain and the healing of your heart will lead you into deeper waters of God s grace than you have ever known before and that multitudes of people will be helped on their journey because of your brokenness Here s to believing that the simple power of your broken life will gloriously transform both you and all the lives God wants to touch through you

Joseph P. Conway,2020-11-06 American church participation has plummeted in recent decades Abuse scandals and hypocrisy hang in the air Weekly I talk to friends and neighbors who have left church even as many still identify as Christians I get what they re saying When I consider the pain that so many have experienced in church life the body of Christ sure seems broken It s no wonder many don t find church to be worth it But maybe there s more to the story As a child my family experienced deep crisis I felt alone and vulnerable Into that void the church stepped in I discovered a family a people that have my back and forever changed my life Even now I see tangible ways the church works for the common good The church possesses a resilient beauty that continually pushes through the brokenness If we love Jesus we have to eventually ask what Jesus loves Surprising to me at times Jesus loves the church despite her brokenness If we learn to see what Jesus sees we ll discover a powerful often untapped means towards human flourishing No other social group offers what the church offers Yes the church is broken but there s more She s beautiful **The Mysteries of London (Vol. 1-4)** George W. reviled Gertrude Bell was a commanding figure scholar linguist archaeologist traveller and orientalist A remarkable woman in male dominated Edwardian society she shunned convention by eschewing marriage and family for an academic career and the extensive travelling that would lead to her major role in Middle Eastern diplomacy But her private life war marred by the tragedy vulnerability and frustration that were key to her quest both for a British dominated Middle East and relief from the torture of her romantic failures Through her vivid writings she brought the Arab world alive for countless Britons as she travelled to some of the region s most inhospitable places She explored the Ottoman Empire during and after World War I when her travels throughout the region and her knowledge of Arabic made her indispensable to British Intelligence Alongside T E Lawrence she was hugely instrumental in the post war reconfiguration of the Arab states in the Middle East In Iraq in particular she became a friend and confidant of the new King Faisal and a prime mover in drawing up the country s boundaries and establishing a constitutional monarchy there with its parliament civil service and legal system She was influential in creating the state which had all the trappings of independence while remaining a virtual British colony The legacy of her work is still being played out in the conflicts of today Yet behind Gertrude Bell s public success was a backdrop of personal passions desires and the relationships that drove this extraordinary woman Embroiled in an unsuccessful love affair with Charles Doughty Wylie a married man she found peace in the solitude of the desert But the seemingly intractable problems of the newly independent Iraq led her to write of the weariness of it all Shortly afterwards she took her own life with a lethal dose of sleeping pills Using previously unseen sources including Gertude Bell s own diaries and letters Liora Lukitz provides a deeper political and personal biography of this influential character *A Quest in the Middle East* is a lyrical and illuminating portrait of a woman born ahead of her time grappling with issues that would shape the future of the Middle East THE DEVIL ON THE ISLAND.
