A Textbook of Grammar and Writing Skills K.

Thomas Baby, 2025-04-27 This textbook presents a unique version of simplified English grammar that is easily understood by the average EFL student who struggles with the complex explanations found in standard grammar books prescribed for undergraduate students. Moreover, many prescribed grammar textbooks often lack sufficient practice materials and overlook certain seemingly trivial aspects of language that are crucial for language acquisition. Therefore, this book is specifically designed to address these challenges by shifting from traditional rule-based grammar learning to a cognitive approach that identifies patterns of correct sentence structure. This method makes grammar instruction easier and more engaging for the average student. Additionally, the book includes dedicated sections on summarizing, paraphrasing, and essay writing activities aimed at developing the writing skills of students at varying language levels by providing suitable practice materials.

An Introduction to Advanced Academic Argumentative Writing Approach for High School and Undergraduate

Students Dr Julius Nang Kum, An Introduction to the Advanced Academic Argumentative Writing Approach for High School and Undergraduate Students. This long-awaited textbook examines the knowledge-making genre or the argumentative writing at the advanced stage. It provides students with an insightful and a coherent picture of the academic argumentative essay, which is a training tool for knowledge-making for most convincing writings. The book is divided into six chapters. Chapter one highlights some key pragmatic features which are very necessary for most successful students in the academic world. Chapter two focuses on the writing skills and some advantages of being a good writer. The remaining chapters identify the actual definition of an academic argumentative writing and also highlight the components of the introduction section, the body section, and the conclusion section of the knowledge-constructing genre. The book would be appropriate as a training tool for the writing skills of many advanced and undergraduate students. We hope that high school and undergraduate students would find the book very interesting and vital for their advanced argumentative writings and some related convincing writings in other fields.
