The idea of a guaranteed minimum income has been central to British social policy debates for more than a century Since the First World War a variety of market economists radical activists and social reformers have emphasized the possibility of tackling poverty through direct cash transfers between the state and its citizens As manufacturing employment has declined and wage inequality has grown since the 1970s cash benefits and tax credits have become an important source of income for millions of working age households including many low paid workers with children The nature and purpose of these transfer payments however remain highly contested Conservative and New Labour governments have used in work benefits and conditionality requirements to activate the unemployed and reinforce the incentives to take low paid work an approach which has reached its apogee in Universal Credit By contrast a growing number of campaigners have argued that the challenge of providing economic security in an age of automation would be better met by paying a Universal Basic Income to all citizens Transfer State provides the first detailed history of guaranteed income proposals in modern Britain which brings together intellectual history and archival research to show how the pursuit of an integrated tax and benefit system has shaped UK public policy since 1918 The result is a major new analysis of the role of cash transfers in the British welfare state which sets Universal Credit in a historical perspective and examines the cultural and political barriers to a Universal Basic Income

Journal of Accountancy ,1929 **History of Income Tax** b.e.v Sabine,2013-10-16 This classic book tells the story of the development of Income Tax from its beginning in 1799 to the present day and relates it to the social economic and political

history of the period There have been studies of Income Tax at various stages in its growth studies of finance and taxation in general in which Income Tax has been closely concerned studies too of some of the Chancellors of the Exchequer who have made significant contributions to the Income Tax system but this is the first time an attempt has been made to encompass the whole 160 years or so of its life in one volume And a fascinating story it is too when set in perspective The author shows how Income Tax was introduced to finance the Napoleonic Wars how it was revived by Peel to pay for Free Trade and how it underwrote Victorian prosperity and confidence He then describes its immense expansion through two World Wars to its present position as a dominant feature of British finance This book was first published in 1966 *Improving Incentives for the Low-Paid* Alex Bowen, Ken Mayhew, 1990-10-01 This collection of papers considers how people who are low paid can be given better opportunities in the British labour market Topics considered include how the workings of the tax and benefits systems might be improved and why some jobs are low paid in the first place British Budgets 1887-88 to 1912-13 Sir Bernard Mallet, 1913 **British Budgets** Bernard Mallet, 1913 **Accountants' Index** American Institute of Certified Public Accountants, 1928 **Monthly Catalog of United States Government Publications** ,1969 How the Internal Revenue Service Selects Individual Income Tax Returns for Audit, Department of the Treasury United States.
