H. Eaton,2007-09 This book is called 100 First Pages because that's what it is Each page in the book is supposed to be the first page of a novel Next to that page on the left are my comments about how the novel might go along with some of my personal thoughts on the subject That's the best part because it is a mini encyclopedia almanac journal and to some extent a blog The book covers a large array of topics and genres When you buy the book and read it you can go to my website listed in the back and vote for your favorite BEGINNING You can also suggest a title for the book I promise that I will write the novel which receives the most votes for publication AND if you are the person who suggests the Best Title i.e. the one I will use you will get a cover credit an entire page inside to write anything you like and one dollar for every copy sold Check out the preview and give it a try
