

Grade 2 Paragraph Writing

The image displays three overlapping worksheet templates for paragraph writing, each with a 'Name:' and 'Date:' field at the top.

- Paragraph Structure:** This worksheet includes a small illustration of a burger. It explains that details are connected to the topic sentence and are like toppings on a burger. It states that paragraphs usually have at least two or three details that support the main idea. A box defines details as information that supports the topic sentence. Below, it asks the student to complete a topic sentence: 'When I am older, I would like to _____' and then write three details to support it, numbered 1, 2, and 3.
- Arranging Text:** This worksheet asks the student to read sentences, cut them out, and decide the correct order to make a complete paragraph. It provides several blank lines for the student to write the sentences in their correct order.
- Paragraph Organizer:** This worksheet is designed for the student to write a paragraph describing a topic. It includes a 'Topic Sentence' line, followed by three 'Supporting Detail' lines (labeled #1, #2, and #3), and a final 'Concluding Sentence' line.
