yesterday)."	
Note: Degree of mastery does not need to be a percentage.)	
Rationale Address the following questions: ☐ Why are you teaching this objective? ☐ Where does this lesson fit within a larger plan? ☐ Why are you teaching it this way? ☐ Why is it important for students to learn this concept?	Why are you teaching this objective? I am teaching this objective to teach children from an early age that voting is important and that they can make a difference. Where does this lesson fit within a larger plan? This lesson fits in with the larger plan on voting and elections that will be throughout the week. Why are you teaching it this way? I am teaching it this way to ensure that my students understand the vocabulary and can apply it in a real world situation. Why is it important for student to learn this concept? Although they can't do it no, students will one day be able to vote.
Evaluation Plan- How will you know students have mastered your objectives? Address the following:	Pre- and Post- Assessment: I have administered the pre-assessment to the students that consist of true and false questions and one short response. At the end of the two lessons that I will teach, I will give them this as a post-assessment to see how their understanding of the subject improved.
