Valet Remote Starter Manual:

The Valet Jackie Adams, 2019-06-10 The Valet is a riveting portrayal of how a single point in time can forever alter one's trajectory From the moment Tammy Sue witnesses a horrific crime every aspect of her life is tested As the lone witness she must grapple with the intense scrutiny she suddenly finds herself facing She's thrust into a new uncharted reality She clings to the memories of who she used to be while struggling to embrace the person she's now become Without exception every relationship she has will be profoundly affected None will be left untouched When Tammy begins experiencing strange and mysterious phenomenon she is irrevocably pushed to the brink Feeling as though she's unwittingly placed her family in grave danger she's compelled to take matters into her own hands Unbeknownst to Tammy she's about to embark on a journey that may mean she will never be able to find her way back to the one thing she cherishes above all else the life she previously knew
