Anne Salazar-Orvig,Geneviève de Weck,Rouba Hassan,Annie Rialland,2021-06-15 This book describes the repertoire and uses of referring expressions by French speaking children and their interlocutors in naturally occurring dialogues at home and at school in a wide range of communicative situations and activities Through the lens of an interactionist and dialogical perspective it highlights the interaction between the formal aspects of the acquisition of grammatical morphemes the discourse pragmatic dimension and socio discursive interactional and dialogical factors Drawing on this multidimensional

theoretical and methodological framework the first part of the book deals with the relation between reference and grammar while the second part is devoted to the role of the communicative experience Progressively a set of arguments is brought out in favor of a dialogical and interactionist account of children s referential development This theoretical stance is further discussed in relation to other approaches of reference acquisition Thus this volume provides researchers and students with new perspectives and methods for the study of referring expressions in children **High Definition Underwater Video**
