Excel a Parent's Guide to Primary English and Mathematics, Years K-6 Ages 4-12 Merryn Whitfield,2003 **A Parent's Guide to Learning Difficulties** Peter Westwood,2008 The author provides parents with an explanation of the many causes of children's problems in learning and includes practical advice for helping children with reading writing and mathematics The focus is on ordinary children with general learning difficulties but information is also provided about teaching and managing children with intellectual physical and sensory disabilities as well as autism Back cover ed Handbook of Early Literacy Research Susan B. Neuman,David K. Dickinson,2011-10-10 The field of early literacy has seen significant recent advances in theory research and practice These volumes bring together leading authorities to report on current findings integrate insights from different disciplinary perspectives and explore ways to provide children with the strongest possible literacy foundations in the first 6 years of life The Handbook first addresses broad questions about the nature of emergent literacy summarizing current knowledge on cognitive pathways biological underpinnings and the importance of cultural contexts Chapters in subsequent sections examine various strands of knowledge and skills that emerge as children become literate as well as the role played by experiences with peers and families Particular attention is devoted to the challenges involved in making schools work for all children including members of linguistic and ethnic minority groups and children living in poverty Finally approaches to instruction assessment and early intervention are described and up to date research on their effectiveness is presented Handbook of Research on Reading Comprehension Susan E. Israel,Gerald G. Duffy,2014-06-03 The Handbook of Research on Reading Comprehension assembles researchers of reading comprehension literacy educational psychology psychology and neuroscience to document the most recent research on the topic It summarizes the current body of research on theory methods instruction and assessment including coverage of landmark studies Designed to deepen understanding of how past research can be applied and has influenced the present and to stimulate new thinking about reading comprehension the volume is organized around seven themes historical perspectives on reading comprehension theoretical perspectives changing views of text elements of reading comprehension assessing and teaching reading comprehension cultural impact on reading comprehension where to from here This is an essential reference volume for the international community of reading researchers reading psychologists graduate students and professionals working in the area of reading and literacy **The Parent Guide to Our Whole Lives** Pat Hoerdoerfer,2000 **Letting children be children** Independent Review of the Commercialisation and Sexualisation of Childhood,Reg Bailey,Great Britain. Department for Education,Great BritainDepartment for Education,2011-06-06 This review by Reg Bailey Chief Executive of Mothers Union expresses the concerns at the commercialisation and sexualisation of childhood We are all living in an increasingly sexual and sexualised culture and many parents feel that his culture is often inappropriate for their children This leaves many feeling that children are being encouraged to grow up too quickly and that we don't allow them to

be children This is compounded in some new media where there is limited regulation The review makes 14 recommendations covering 4 themes The aims of these being i that sexualised images used in public places and on television the internet music videos and other places are more in line with what parents find acceptable and that public space becomes more family friendly ii that retailers do not sell or market inappropriate products or services for children iii that regulations protecting children from excessive commercial pressures are comprehensive and effective and iv that parents find it easier to voice their concerns are listened to more readily when they do and have their concerns visibly acted on by businesses and regulators Ultimately of course these recommendations need to be implemented by broadcasters advertisers retailers other businesses and regulators within a reasonable timescale
