Maxine Waller, 1995 The closing of local mines and factories collapsed the economic and social structure of Ivanhoe Virginia a small rural town once considered a dying community on the rough side of the mountain Documenting the creative survival techniques developed by Ivanhoe citizens in the aftermath It Comes from the People tells how this community organized to revitalize the town and demand participation in its future Photos interviews stories songs poems and scenes from a local theater production tell how this process of rebuilding gradually uncovered the community's own local theology and a growing consciousness of cultural and religious values A significant aspect of this social transformation in Ivanhoe as in many rural areas was the emergence of women as leaders educators and organizers developing new approaches to revive the economy and the people simultaneously This book is unusually open about the difficult process faced by outside researchers working with community members to describe community life It discusses the inherent dilemmas frankly and presents a model for those who engage in community studies and ethnographic research Author note Mary Ann Hinsdale is Associate Professor of Religious Studies at Boston College Helen M Lewis is Interim Director of the Appalachian Center at Berea College in Kentucky S Maxine Waller is President of the Ivanhoe Civic League and directs community based student volunteer programs in Virginia How to Get the Job You Desire Peggy Redman, 2004-03 **Assaulting the Gates** Rev. Paul D. Borden, 2011-12-01 Learn the Big Picture approach that will aim your congregation at the mission field in your back yard or around the world Many churches want to make the transition from an inward to an outward focus from catering to the needs of members to reaching out into the world to make disciples of Jesus Christ Too often they try to accomplish this radical change by taking half steps and partial measures initiating a new program here or adding a new staff members there Yet this kind of change requires more To succeed in changing its core focus this way a congregation must learn strategic thinking it must commit itself to seeing the big picture and to taking the steps necessary to paint that picture afresh Everyone including pastors lay leaders key teams and groups and the congregation as a whole must be involved in a process of transformation Paul D Borden author of Hit the Bullseye and Direct Hit knows that this transformation will not be easy But if the target is bringing more people into saving relationship with Jesus Christ what could be more worthwhile The 60-minute Money Workout Ellie Kay, 2010 Presents advice on creating a personal financial plan which incorporates strategies for controlling costs for housing education health vacations car loans and credit card debt and funding long term savings and investments for retirement *Vacation Bible School Vbs 2018 24/7 Leader Certificates* , 2018-01-16 These brightly colored certificates will let leaders and volunteers know

Your Parish Is the Curriculum Diana Macalintal,2018-01-12 We all agree that the community needs to be involved in the RCIA So we make bulletin and Mass announcements explaining the rites and the RCIA process hoping the parishioners will get their responsibility to initiate these seekers Then although catechumens candidates sponsors and team members form a tight knit community parishioners still wonder who these people are with their rituals that make the Mass long and most of the newly initiated still disappear from the parish after Easter Taking to heart what the United States bishops said in their document on adult faith formation While the parish may have an adult faith formation program it is no less true that the parish is an adult faith formation program Diana Macalintal argues that we have to stop trying to get the parish involved in the RCIA and start getting the catechumens and candidates involved in the parish In this book readers will discover 1 why doing the RCIA in the midst of the community not only forms seekers into disciples but renews the conversion of the entire parish 2 what parishioners can do to take responsibility for the initiation of adults without adding another meeting to their lives 3 how to use the four key areas of parish life and the liturgical year to introduce seekers to Christ and train them in the Christian way of life 4 the three levels of catechesis and how to use mystagogical reflection on parish life to provide a systematic and complete catechesis appropriate for each level When you make your parish the RCIA curriculum you will be shaping not just a group of people but an entire community into lifelong disciples Lutheran Woman's Work ,1929
