The U.S. Postal Service in Crisis United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Subcommittee on Federal Financial Management, Government Information, Federal Services, and International Security, 2010 *U. S. Postal Service: USPS Has Taken Steps to Strengthen Network Realignment Planning and Accountability and Improve Communication* Phillip Herr, 2009 Reports have been issued on the USPS strategy for realigning its mail processing network and improving delivery performance info These reports recommended that the USPS 1 strengthen planning and the overall integration of its realignment efforts and enhance accountability by establishing measurable targets and evaluating results 2 improve delivery service standards and performance measures and 3 improve communication with stakeholders by improving public notice engagement and transparency This testimony discusses USPS s actions toward 1 strengthening network realignment planning and accountability 2 improving delivery performance info and 3 improving communication with stakeholders Charts and tables **U. S. Postal Service's Financial Condition** Kevin R. Kosar, 2010-11 Provides an overview of the U S Postal Service s USPS financial condition recent legislation to alleviate the USPS s financial challenges and issues for the 111th Congress Since 1971 the USPS has been a self supporting gov t agency that covers its operating costs with revenues generated through the sales of postage and related products and services Recently the USPS has experienced significant financial challenges Contents 1 Background 2 Financial Difficulties FY 2006 09 3 FY 2010 Financial Condition 4 Issues for Congress Increasing Revenues Altering Postage Rates Reducing Costs Reducing Pension Costs Reducing the USPS s Retail and Nonretail Facilities Reducing Mail Delivery from 6 to 5 Days Week Illus Federal Energy Management Mark Gaffigan, 2009-06 The fed gov t is the nation s single largest energy consumer spending approximately 17 billion in FY 2007 A number of statutes and executive orders have established and revised goals directing agencies to reduce energy consumption and greenhouse gas emissions such as carbon dioxide which results from combustion of fossil fuels and natural processes among other things and increase renewable energy use This report determines the extent to which 1 fed agencies met energy efficiency greenhouse gas emission and renewable energy goals in FY 2007 2 fed agencies have made progress in each of these areas in the recent past and 3 six selected agencies are poised to meet energy goals into the future Illus *More Than Stamps Adapting the Postal Service to a Changing World* United States. Congress. House. Committee on Oversight and Government Reform. Subcommittee on Federal Workforce, Postal Service, and the District of Columbia, 2009 U. S. Postal Service Phillip Herr, 2010-08 The Postal Accountability and Enhancement Act of 2006 required an evaluation of strategies and options for reforms of the U S Postal Service USPS USPS s business model is to fulfill its mission through self supporting businesslike operations however USPS has experienced increasing difficulties Due to volume declines losses a cash shortage and rising debt the USPS was added to a high risk list in July 2009 The objectives of this report were to assess 1 the viability of USPS s business model 2 strategies and options to

address challenges to its business model and 3 actions Congress and USPS need to take to facilitate progress toward financial viability Includes recommendations Charts and tables **The Impact of the Economic Crisis on the U.S. Postal Service** United States. Congress. Senate. Committee on Homeland Security and Governmental Affairs. Subcommittee on Federal Financial Management, Government Information, Federal Services, and International Security,2009 *The Three R's of the Postal Network Plan* United States. Congress. House. Committee on Oversight and Government Reform. Subcommittee on Federal Workforce, Postal Service, and the District of Columbia,2009 Disposal of Federal Real Property United States. Congress. House. Committee on Oversight and Government Reform,2012 **Reinventing the Postal Sector in an Electronic Age** Michael A. Crew,Paul R. Kleindorfer,2011-01-01 This compilation of original essays by an international cast of economists regulators and industry practitioners analyzes some of the major issues now facing postal and delivery services throughout the world as competition from information and communication technologies ICT has increased Competition has become increasingly important in the postal sector for some time in the form of alternative entrants providing mail delivery However the competition from ICT in the form of email and instant messaging the Internet Facebook and other forms of social networking and portable wireless devices such as the iPad and Kindle may be even more significant Mail volumes are falling and the economies of scale that have made possible daily deliveries to every address are being eroded This book assesses volume these declines resulting from this so called eSubstitution and looks at the ways the postal sector can adapt to the rapid changes resulting from ICT The impact of electronic invoicing on transactions mail and the impact on bulk mail of electronic forms of advertising are examined Strategies including pricing and access policies are discussed in the context of the increasing impact of ICT A rethinking of the role of mail in an electronic age is taking place and this book provides the cutting edge of this rethinking and the attempts of POs to reinvent themselves while continuing to meet the public s expectation of continuing ubiquitous daily deliveries of traditional mail products Undergraduate and postgraduate students and researchers in regulation competition law innovation and public sector economics along with institutional libraries and industry professionals will find this volume informative and useful **U. S. Postal Service: Escalating Financial Problems Require Major Cost Reductions to Limit Losses** Phillip Herr,2009-11 USPS s financial condition has deteriorated Mail volume declined by a record 9.5 billion pieces 4.5% in FY 2008 leading to a loss of 2.8 billion the second largest since 1971 This was largely due to declines in the economy esp in the financial and housing sectors as well as shifts in transactions messages and advertising from mail to electronic alternatives Declining mail volume flattened revenues despite rate increases while USPS s cost cutting efforts were insufficient to offset the impact of declining mail volume and rising costs in fuel and cost of living allowances for postal employees This testimony focuses on 1 USPS s financial condition and outlook and 2 options for USPS to remain financially viable in the short and long term Illus

Governing to Win Charles Prow,2012-04-12 Charles Prow has brought together an impressive lineup of businessmen and

women reporters and experts to show how the United States can be more competitive in the global economy This book shows not only what is wrong with the current federal spending plan but ways to fix it Business professionals and anyone interested in the government's response the recession will find this an important book *U. S. Postal Service: Financial Crisis Demands Aggressive Action* Phillip Herr, 2010-09 The U S Postal Service's USPS financial condition and outlook deteriorated significantly during FY 2009 USPS was not able to cut costs fast enough to offset declining mail volume and revenues resulting from the economic recession and changes in the use of mail such as electronic bill payment The USPS needs to restructure to improve its financial viability Declines in mail volume and revenue large financial losses increasing debt and financial obligations will continue to challenge USPS This testimony provides 1 info on USPS's financial condition and forecast and 2 the need for USPS restructuring In addition questions and issues are included for Congress to consider regarding USPS's proposal to reduce delivery from 6 to 5 days **Congressional Record** United States. Congress, 2009

Hearings, Reports and Prints of the House Committee on Post Office and Civil Service United States. Congress. House. Committee on Post Office and Civil Service, 1974 Letters, Power Lines, and Other Dangerous Things Ryan Ellis, 2020-03-03 An examination of how post 9 11 security concerns have transformed the public view and governance of infrastructure After September 11 2001 infrastructures the mundane systems that undergird much of modern life were suddenly considered soft targets that required immediate security enhancements Infrastructure protection quickly became the multibillion dollar core of a new and expansive homeland security mission In this book Ryan Ellis examines how the long shadow of post 9 11 security concerns have remade and reordered infrastructure arguing that it has been a stunning transformation Ellis describes the way workers civic groups city councils bureaucrats and others used the threat of terrorism as a political resource taking the opportunity not only to address security vulnerabilities but also to reassert a degree of public control over infrastructure Nearly two decades after September 11 the threat of terrorism remains etched into the inner workings of infrastructures through new laws regulations technologies and practices Ellis maps these changes through an examination of three U S infrastructures the postal system the freight rail network and the electric power grid He describes for example how debates about protecting the mail from anthrax and other biological hazards spiraled into larger arguments over worker rights the power of large volume mailers and the fortunes of old media in a new media world how environmental activists leveraged post 9 11 security fears over shipments of hazardous materials to take on the rail industry and the chemical lobby and how otherwise marginal federal regulators parlayed new mandatory cybersecurity standards for the electric power industry into a robust system of accountability *International Marketing Research* V. Kumar, 2024-07-08 This book provides a practical detailed and well documented guide that takes students and market researchers through all phases of developing and conducting global marketing research This book not only accounts for the recent developments in the scope and extent of global marketing research but also examines advances in both quantitative and qualitative research

techniques and the impact of the Internet on research in the global environment It includes coverage of all phases involved in designing and executing global marketing research from analyzing the nature and scope of the research to the preliminary stages gathering data designing the questionnaires sampling and presenting the data Numerous country specific examples and case studies will add to the understanding of the concepts laid out in the book This edition features updates related to leveraging the power of AI Internet of Things machine learning blockchain robotics the metaverse and other emerging technologies that are impacting the way in which marketing research is performed With an instructor's manual as well as PPT slides covering major topics within the chapters in addition to numerous cases this text provides the most current and relevant information about the global marketing research industry and outlines the necessary techniques that can guide researchers in their work

The Changing Postal and Delivery Sector Michael Crew, Pier Luigi Parcu, Timothy Brennan, 2017-01-20 This book addresses some of the major issues facing postal and delivery services throughout the world Postal operators worldwide have been slow to address the threats from and opportunities created by electronic competition The European Commission and member states are wrestling with these issues while at the same time continuing to deal with the interrelated issues of implementing entry into postal markets and maintaining the universal service obligation The Postal Accountability and Enhancement Act of 2006 in the U S exacerbated financial and managerial problems faced by USPS that result in part from electronic substitution for letter delivery Comprised of original essays by prominent researchers in the field this book addresses the new reality of the postal industry and proposes ways in which postal operators might reinvent themselves Issues discussed include cross border parcel delivery e commerce the transformation of postal networks and the effects of postal liberalization This book will be of interest to postal operators regulatory commissions consulting firms competitors and customers experts in the postal economics law and business and those charged with the responsibility for designing and implementing postal sector policies Researchers in regulatory economics transportation technology and industrial organization will also find useful information in this volume
