Koen, Luiza O. De Souza, 2025-02-25 This book features chapters by scholars from various education fields specialising in sustainability As the first volume in North West University's Community based Educational Research Series it focuses on transforming education through a participatory approach The authors explore quality education across early childhood primary secondary and higher education by examining collaborative efforts among practitioners parents and teachers This scholarly book provides empirical evidence on how collaborative initiatives can promote sustainable development These initiatives encourage partnerships among community leaders educators learners nongovernmental organisations government and the private sector for lifelong learning and professional development It highlights southern African experiences in collaborative education aligned with the United Nations sustainable development goal of achieving quality education The book demonstrates various research designs and methods applied to educational practice from early childhood to tertiary levels

through empirical research and community projects Populism as Meta Ideology Kire Sharlamanov, 2022-05-06 This book explores the most important aspects of populism as a significant social phenomenon It recapitulates the approaches to defining populism in the social sciences singles out the most important concepts in the definition of populism and presents them to the readership Specific to this book is that it seeks to promote an approach that sees populism as a meta ideology that is an ideology that uses other political ideologies instrumentally In addition the book Populism as Meta Ideology identifies the most important factors that have contributed to the growth of populism in recent times Modernization globalization the crisis of political parties and the transformation of the public sphere have been identified as such factors A chapter is devoted to each of these factors in the book The book concludes by examining the interaction between populism and liberal democracy both theoretically and practically To Democratize or Not? Trials and Tribulations in the Postcolonial World Volkan Ipek, Ebru Ilter-Akarcay, 2020-07-06 This volume a product of the first Tricontinental Conference organized by Yeditepe University Istanbul brings together perspectives on democracy and development in Africa the Middle East and Latin America Representing local voices and insight the contributors here respond to the dearth of comparative analysis on these three regions In spite of the differences observed in colonial practices and postcolonial transitions a shared disenchantment with the performance of competitive politics comes to the forefront in these geographical areas Decades after decolonization low intensity democracy and the continuing potential for democratic reversals and backsliding make the study of these three regions relevant Considering the debates on protests social upheavals activism change and continuity this book encourages the reader to survey the various trials and tribulations of the postcolonial era Governing in the Shadows Paula Cristina Roque, 2021-12-01 Reveals the Angolan state's intrusion into citizens' lives in the name of security in stark contrast with governmental neglect in addressing poverty and marginalization *Organise or Die?* Raphaël Botiveau, 2017-12-01 The story of one of the leading trade unions in South Africa the National Union of Mineworkers and its role in the struggle against white minority rule *Organise or Die* Democracy and Leadership in South Africa's National Union of Mineworkers NUM is the first in depth study of one of the leading trade unions in the country Founded in 1982 the trade union played a key role in the struggle against white minority rule before turning into a central protagonist of the ruling Tripartite Alliance after apartheid Deftly navigating through workerist social movement and political terrains that shape the South African labour landscape this book sheds light on the path that led to the unprecedented 2012 Marikana massacre the dissolution of the Congress of South African Trade Unions Cosatu federation and to fractures within the African National Congress ANC itself Working with the notions of organisational agency and strategic bureaucratisation Raphaël Botiveau shows how the founding leadership of NUM built their union's structures with a view to mirror those of the multinational mining companies NUM faced Good leadership proved key to the union's success in recruiting and uniting mineworkers and NUM became an impressive school for union and political cadres producing a number of South Africa's top post apartheid

leaders An incisive analysis of leadership styles and strategies shows how the fragile balance between an increasingly distant leadership and an increasingly militant membership gradually broke down Botiveau provides a compelling narrative of NUM s powerful history and the legacy of its leadership It will appeal to a broad readership including journalists students and social sciences scholars interested in South Africa s contemporary politics and labour history **The Archaeology of**

Southern Africa Peter Mitchell,2024-06-06 Some of humanity s earliest ancestors lived in southern Africa and evidence from sites there has inspired key debates on human origins and the emergence of complex cognition Building on its rich rock art heritage archaeologists have developed theoretical work that continues to influence rock art studies worldwide with the relationship between archaeological and anthropological data central to understanding past hunter gatherer pastoralist and farmer communities alike New work on pre colonial states contests models that previously explained their emergence via external trade while the transformations wrought by European colonialism are being rewritten to emphasise Indigenous agency feeding into efforts to decolonise the discipline itself Inhabited by humans longer than almost anywhere else and with an unusually varied complex past southern Africa thus has much to contribute to archaeology worldwide In this revised and updated edition Peter Mitchell provides a comprehensive and extensively illustrated synthesis of its archaeology over more than three million years **Global Africa** Dorothy Hodgson,Judith Ann-Marie Byfield,2017-08 Global Africa will complicate

conventional views of Africa as a place of violence despair and victimhood a place and space that other people states and organizations act on and steal from Instead they aim to document some of the significant global connections circulations and contributions that African people ideas and goods have made in the world not just in the United States but in South Asia Latin America Europe and elsewhere They will showcase new framings of Africa but will not romanticize the conditions and circumstances in which too many people on the continent currently live The essays in this volume will amplify those voices that offer complex and insightful explanations strategies for solutions and inspiration for the future Provided by publisher

The ^AOxford Handbook of Deaf Studies in Language Marc Marschark,Patricia Elizabeth Spencer,2015-12-08 Language development and the challenges it can present for individuals who are deaf or hard of hearing have long been a focus of research theory and practice in D deaf studies and deaf education Over the past 150 years advances in the acquisition and development of language competencies and skills have been increasing rapidly This volume addresses many of those accomplishments as well as remaining challenges and new questions that have arisen from multiple perspectives theoretical linguistic social emotional neuro biological and socio cultural **Farmer's Weekly** ,1923 **Between Time and Space**

Sulevi Riukulehto,2015-05-13 In new regional history national states are not seen to play a special role Regions are understood as evolutionary processes in which time and space history and geography are connected in research questions To illustrate the entanglement of time and space in various forms and ages this volume explores regional history from around the globe The editor s review of the various works written under the heading of regional history serves as an introduction to

this theme This volume shows how historical events and changes have influenced the reproduction of regions in Czechia it will also highlight how regional identities were manifested in a cultural form in romantic operas of post Napoleonic Europe The historically rich West Wits Line gold mining region in the West Rand of South Africa is also examined within a regional history framework with the broad theme of ecohealth and well being Through case studies the volume also explores the history of governance and planning in New Zealand s largest city region Auckland as well as the recent economic history of the State of Mato Grosso in Brazil Finally it also brings the idea of regional history to the most personal level of historical consciousness by examining the experiential shaping of home in the broader meaning of Heimat as a question of belonging somewhere both in time and in space

American Druggists' Circular and Chemical Gazette ,1867 *Termites of the Gods* Siyakha Mguni,2015-03-01 Siyakha Mguni s personal journey over many years to discover the significance of a hitherto enigmatic theme in San rock paintings known as formlings In *Termites of the Gods* Siyakha Mguni narrates his personal journey over many years to discover the significance of a hitherto enigmatic theme in San rock paintings known as formlings Formlings are a painting category found across the southern African region including South Africa Namibia and Zimbabwe with its densest concentration in the Matopo Hills Zimbabwe Generations of archaeologists and anthropologists have wrestled with the meaning of this painting theme in San cosmology without reaching consensus or a plausible explanation Drawing on San ethnography published over the past 150 years Mguni argues that formlings are in fact representations of flying termites and their underground nests and are associated with botanical subjects and a range of larger animals considered by the San to have great power and spiritual significance This book fills a gap in rock art studies around the interpretation and meaning of formlings It offers an innovative methodological approach for understanding subject matter in San rock art that is not easily recognisable and will be an invaluable reference book to students and scholars in rock art studies and archaeology

Human Rights and the South African Legal Order John Dugard,2015-03-08 As an Advocate of the Supreme Court John Dugard observes the South African legal order daily in operation In this book he provides a thorough description and probing analysis of the workings of the system He places South Africa s legal order in a comparative context examining the climate of legal opinion crucial judicial decisions and their significance in relation to contemporary thought and practice in England America and elsewhere He also considers South Africa s laws in the light of its history politics and culture Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Vaal University 2015 Application Form Introduction

In today's digital age, the availability of Vaal University 2015 Application Form books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Vaal University 2015 Application Form books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Vaal University 2015 Application Form books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Vaal University 2015 Application Form versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Vaal University 2015 Application Form books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Vaal University 2015 Application Form books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Vaal University 2015 Application Form books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Vaal University 2015

Application Form books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Vaal University 2015 Application Form books and manuals for download and embark on your journey of knowledge?
