

POP FIZZ

There are more odd and eccentric Skylanders for only one who's lightbubbly-crazy. Pop Fizz is an airhead who is ready even without some colorful and completely-colored potion distilled in his funny blue fingers. He is often mistaken for a gumball, but the truth is that he can really blow what he is--not even Pop Fizz himself.

Constantly curious and ridiculously confident, Pop Fizz is always blowing up some idea, concoction and testing it on himself. Some of his potions grant him incredible powers, while others make him change color, lose his hair, or give him terrible hiccups. Even if his potions aren't exactly perfect, Pop Fizz himself is the true heart of enthusiasm, bravery, and full-blown insanity that makes him one of Master's most prized Skylanders.

JET-VAC

The Skylanders of Whiskers are a collection, and Jet Vac may just be the most extreme there is. A fully-fledged flying vac, Jet Vac wanted to escape the boring, dull world that usually surrounds when Whiskers are whisked, Jet Vac decided he wanted a much more fun way to whisk his whiskers.

Although he loved his flying dust vacuum, Jet Vac's vacuum was overpowered when Master's first dusted house got the Skylanders. Now, equipped with a vacuum, dust-whisker, Jet Vac went out Skylanders, gathering all those before him the fun of it, and accidentally carrying out more light dusting, cleaning, vacuum.

FLASHWING

No one really knows where Flashwing came from, but most people agree it's one of the most beautiful creatures who ever lived. No one knows the story that Flashwing's heart, and she can usually be found flying the twilight and trying to make herself the center of attention.

A strong, shimmering dragon whose whole body appears to be fashioned from sparkling gemstones, Flashwing can attack enemies with both her stunning looks and fighting ability. While she can sometimes be a little obsessed with being the best, she can always be relied on to truly fulfill Skylander's quest.

CHOP CHOP

Take a quick glance at Chop Chop, and you might think he's a little strange. Look again, though, and you'll soon realize the truth. He's very strange. A hybrid of medieval design and Advanced technology, Chop Chop's suit, getting worse and glowing, yellow metal claws are enough to frighten most folk. Add to the fact that he's a flying scissor with a very sharp sword, and even the bravest of souls will be off and running.

A former Assassin like Lord, Chop Chop got bored just hanging about waiting for something to happen, so he set off to wander Whiskers in search of his enemies, the Assassins, who had remained a long time before. He wanted to watch a victory without feeling that emptiness before Master first decided to put Chop Chop's special skills to use as a member of the Skylanders.
