The Mahabharata of Krishna-Dwaipayana Vyasa Translated Into English Prose, 1891 **British cinema of the 1950s**
Ian Mackillop, Neil Sinyard, 2018-07-30 Offers a startling re evaluation of what has until now been seen as the most critically lacklustre period of the British film history Covers a variety of genres such as B movies war films women s pictures and theatrical adaptations as well as social issues which affect film making such as censorship Includes fresh assessment of maverick directors Pat Jackson Robert Hamer and Joseph Losey and even of a maverick critic Raymond Durgnat Features personal insights from those inidividually implicated in 1950s cinema Corin Redgrave on Michael Redgrave Isabel Quigly on film reviewing and Bryony Dixon of the BFI on archiving and preservation Presents a provocative challenge to conventional wisdom about 1950s film and rediscovers the Festival of Britain decade An electronic edition of this book is freely available under a Creative Commons CC BY NC ND licence *Joseph Losey* Colin Gardner, 2019-01-11 The career of Wisconsin born Joseph Losey spanned over four decades and several countries A self proclaimed Marxist and veteran of the 1930s Soviet agit prop theater he collaborated with Bertholt Brecht before directing noir B pictures in Hollywood A victim of McCarthyism he later crossed the Atlantic to direct a series of seminal British films such as *Time Without Pity* *Eve* *The Servant* and *The Go Between* which mark him as one of the cinema s greatest baroque stylists His British films reflect on exile and the outsider s view of a class bound society in crisis through a style rooted in the European art house tradition of Resnais and Godard Gardner employs recent methodologies from cultural studies and poststructural theory exploring and clarifying the films uneasy tension between class and gender and their explorations of fractured temporality *Hollywood Exiles in Europe* Rebecca Prime, 2014-01-14 Rebecca Prime documents the untold story of the American directors screenwriters and actors who exiled themselves to Europe as a result of the Hollywood blacklist During the 1950s and 1960s these Hollywood migr s directed wrote or starred in almost one hundred European productions their contributions ranging from crime film masterpieces like *Du rififi chez les hommes* 1955 Jules Dassin director to international blockbusters like *The Bridge on the River Kwai* 1957 Carl Foreman and Michael Wilson screenwriters and acclaimed art films like *The Servant* 1963 Joseph Losey director At once a lively portrait of a lesser known American lost generation and an examination of an important transitional moment in European cinema the book offers a compelling argument for the significance of the blacklisted migr s to our understanding of postwar American and European cinema and Cold War relations Prime provides detailed accounts of the production and reception of their European films that clarify the ambivalence with which Hollywood was regarded within postwar European culture Drawing upon extensive archival research including previously classified material *Hollywood Exiles in Europe* suggests the need to rethink our understanding of the Hollywood blacklist as a purely domestic phenomenon By shedding new light on European cinema s changing relationship with Hollywood the book illuminates the postwar shift from national to transnational cinema *Current Literature*, 1900 **Metaphors of ANGER across Languages:**

Universality and Variation Zoltan Kövecses,Réka Benczes,Veronika Szelid,2024-11-04 Anger is one of the basic emotions of human emotional experience informing and guiding many of our choices and actions Although it has received considerable scholarly attention in a number of disciplines including linguistics a basic question has still remained unresolved why do variations in the folk model of anger exist across languages if it is indeed a basic emotion rooted in largely universal bodily experience By drawing on a wide selection of comparable linguistic data from dozens of languages including a number of less researched languages this volume provides the most comprehensive account of what is universal and what is variable in the folk model of anger and why It also investigates the role that metonymies might play in the emergence of anger related metaphors and in what ways context influences or shapes anger metaphors and thereby the resulting folk model of anger No such volume exists in the cognitive linguistic literature on anger or on emotions for that matter The book is thus an essential contribution to the study of anger and will serve as basic reading for any researcher interested in how the conceptualization of anger is constructed via the interplay of bodily experience language and the larger cultural context **Foreign Currency**

Michael Howard,John Knott,John Kimbell,2016-07-22 Currency fluctuation currency wars and even potential currency collapse the Euro the Bitcoin are all risks that commercial parties must consider and guard against This book gathers together in one volume all the information and advice practitioners are likely to need when advising on advancing or defending claims involving a foreign currency element The determination of the proper currency or currencies of a claim often has a dramatic effect on the level of a court judgment or arbitration award that is ultimately obtained It is therefore vital for practitioners to accurately assess claims which involve a foreign currency element The authors guide the reader through the legal principles governing how foreign currency claims are treated in English law The book covers both the treatment of foreign currency in substantive law as well as such procedural matters as how to claim interest correctly on a foreign currency claim and how to plead prove or disprove the applicability of a particular currency This book is an invaluable and essential resource for all lawyers involved in international commerce but will be of particular interest to those engaged in international finance commodity transactions international shipping and transport and the insurance of assets and liabilities abroad Those who practise in this country need guidance in navigating the tricky waters that The Despina R unleashed This excellent book provides that guidance The authors have been uniquely well placed to meet the challenge of analysing what is a perplexing body of jurisprudence and to suggest principled answers to currency issues that have not yet been the subject of judicial decision They consider not merely claims in contract and tort but every type of claim that might raise an issue in relation to a foreign currency The Rt Hon The Lord Phillips of Worth Matravers KG PC President of the Supreme Court of the United Kingdom 2009 2012 The Killing Fields of Scotland R.J.M Pugh,2013-01-19 Most people are familiar with references to Scottish battles such as Bannockburn and Flodden but know little if anything about those events Rugby and soccer fans outside Scotland may wonder at the sign 1314 held up by Scottish fans and not know that it is the

date of the Battle of Bannockburn when an English king was defeated on Scottish soil The battle is also commemorated in Scotlands unofficial national anthem The Flower of Scotland Battles fought on Scottish soil include those of the Scottish Wars of Independence those occasioned by the English Civil Wars and the Jacobite Rebellions This book tells the stories of these battles and many others fought in Scotland from the Roman victory at Mons Graupius in AD 83 to the defeat of Bonnie Prince Charlie at Culloden Moor in 1746 *Tiger's Treasure* B.A. Hasanabba,2019-02-04 The records contained in a long forgotten chest found in London set off three intrepid adventurers from Britain Pakistan and India on an exciting and dangerous mission to unravel a top secret plan hatched two centuries ago by the Divans of Tipu Sultan the Tiger of Mysore While narrating the story of their expedition the author weaves a web of fiction of high drama full of suspense and unexpected twists and turns in the back drop of historical facts with a touch of romance and espionage before bringing the curtain down with a thrilling climax at a remote and astonishingly beautiful place in Karnataka *The Mahabharata of Krishna-Dwaipayana Vyasa Translated Into English Prose: Çanti parva (1890-1891)* ,1891 **What I Saw in London, Or Men and Things in the Great Metropolis** David W.
