Thank You for Your Service W.D. Ehrhart, 2019-03-01 Fifty five years in the writing these are the collected poems of W D Ehrhart one of the major figures in Vietnam War literature Arranged chronologically it allows readers to trace the development of a writer whose talents are bound together by the lingering physical psychological political and intellectual sensibilities the author first developed as a young enlisted Marine during the Vietnam War And while many of the poems deal with the author s encounter with the Vietnam War and its endless consequences the poems range widely in content from family and friends to nature and the environment to the blessings and absurdities of the human condition **Thank You for**

Your Service David Finkel, 2024-05-01 From the Pulitzer Prize winning author of The Good Soldiers comes a panoramic view of postwar life A book that every American should read Jake Tapper Los Angeles Times No journalist has reckoned with the psychology of war as intimately as David Finkel In The Good Soldiers his bestselling account from the front lines of Baghdad Finkel embedded with the men of the 2 16 Infantry Battalion as they carried out the infamous surge Now in Thank You for Your Service Finkel tells the true story of those men as they return home and struggle to reintegrate both into their family lives and into American society at large Finkel is with these veterans in their most intimate painful and hopeful moments as they try to recover He creates an indelible portrait of what life after war is like for these soldiers their families and friends and for the professionals who are truly trying and to a great degree failing to undo the damage that has been done Thank You for Your Service offers nuanced and complete explorations two essential questions When we ask young men and women to go to war what are we asking of them And when they return what are we thanking them for A National Book Critics Circle Award Finalist A New York Times Book Review Notable Book of the Year **Thank you for your service** Carlos Cabezas

López, 2025-10-19 Lucas Brenner has a car shop a mailbox and a debt that won t go away When an anonymous envelope arrives with fifty thousand euros in cash and a simple instruction watch a stranger for seven days Lucas agrees No questions No hesitation Just obedience But nothing comes without a cost As more envelopes arrive with increasingly darker orders Lucas finds himself entangled in a faceless network where no one knows who gives the orders or why The chain has no face Only consequences Thank You for Your Service is a psychological thriller about obedience guilt and how easily we give away our moral choices when someone else takes responsibility A story where no one pulls the trigger yet everyone is guilty

Thank you for your service! Olubusayo Aina, I have noticed with dismay over many years the way many Christians lust after church positions and titles If their zeal was motivated by genuine service for God it would have been admirable But no they just want to be recognized To get some sort of prestige in the company of the believers Only if these few gullible folks knew what they were getting themselves into We are at war make no mistake We are fighting a resolute and defiant enemy An enemy who is not even interested in spoils He just wants to kill To steal And if given adequate room and laxity utterly destroy As noble as it is to desire enrolment into the service of our Lord and Saviour Jesus Christ the fact remains that you

have to be called You must be called It s that plain and simple The tasks are enormous and the risks are just too weighty for uncalled folks to dabble into And just incase anyone misconstrues the possible misadventures that wait for all those called into ministry Apostle Paul reminds us through his second letter to the church in Corinth just what he had to go through as occupational hazards since his call into ministry Take it as his brief resume A CV of some sort and choose your pick Consider the beatings the whip lashes and rod induced bruises Also review his escapades on the seas with the shipwrecks the drowning episode the mob attack by stoning his encounters with highway robbers the visits from assassins sent after him from his home country Israel the lone wolves who haunted him from strange lands during his missionary trips backstabbing from folks inside the church the hunger the exposure to extreme weather conditions the shame the nakedness I mean choose your pick These and many more are some of the daring experiences that beckon on men and women called into God s service here on Earth And if these are not enough to scare you the realization that going through such experiences without being officially employed by God into His service is ill advised and drenched in utter folly should We must understand that Jesus is the one who selects men and women into His service according to His purpose and will He looks for them Chooses them Trains and equips them before He deploys them These ones were predestined It is these few that Jesus toughens up for the encounters they d likely face on the field of battle Onslaughts from Heaven s rough tough and determined enemies Make no mistake if you re called into God s service it is a rare privilege And time is sure to prove that it is a very profitable and honourable experience A venture that has eternal and everlasting rewards But before those rewards come you d sure have a story to tell

Feaver,2023-07-07 In Thanks for Your Service Peter D Feaver shows that the public s high confidence in the military is based partly on deservedness and partly based on an underlying partisan gap and social desirability bias extremely high confidence levels among self identified Republican respondents but much less among Democrats and still weaker confidence among Independents Not only does Feaver helps us understand how and why the public has confidence in the military but he also exposes problems that policymakers need to be aware of Specifically he elucidates how confidence or over confidence in the institution shapes public attitudes on the use of force and may not support the best practices in democratic civil military relations A Child of a Veteran Larisa E.
