Host Robin Cook, 2016-07-05 From the #1 New York Times bestselling author of Coma comes a chilling novel that asks What happens when innocent hospital patients are used as medical incubators against their will Brutally intense a medical thriller cannot get any better than Host Associated Press Lynn Peirce a fourth year medical student at South Carolina's Mason Dixon University thinks she has her life figured out But when her otherwise healthy boyfriend Carl enters the hospital for routine

surgery her neatly ordered life is thrown into total chaos Carl fails to return to consciousness after the procedure and an MRI confirms brain death Devastated by Carl's condition Lynn searches for answers Convinced there's more to the story than what the authorities are willing to reveal Lynn uses all her resources at Mason Dixon including her initially reluctant lab partner Michael Pender to hunt down evidence of medical error or malpractice What she uncovers however is far more disturbing Hospitals associated with Middleton Healthcare including the Mason Dixon Medical Center have unnervingly high rates of unexplained anesthetic complications and patients contracting serious and terminal illness in the wake of routine hospital admissions When Lynn and Michael begin to receive death threats they know they're onto something bigger than either of them anticipated They soon enter a desperate race against time for answers before shadowy forces behind Middleton Healthcare can put a stop to their efforts once and for all
