Walter Pater's European Imagination Lene Østermark-Johansen,2022 This is the first monograph that explores the work and legacy of Walter Pater from a European perspective It offers an in depth analysis of Pater s fictional imaginary portraits which trace the development of the European self over an extensive period of some two thousand years

The Elements of Canon Law Oswald Joseph Reichel,1889

The Encyclopaedia Britannica: Ita to Lor ,1911 *The Astronaut* Dario Llinares,2011-05-25 The Astronaut Cultural Mythology and Idealised Masculinity interrogates the historical and cultural dynamics of one of the most revered icons of the 20th century Analysing a diverse range of cultural representations the book postulates the construction of an intertextual mythology through which the astronaut becomes an embodiment of American ideological values and heroic manhood The discursive processes at work in the range of media texts examined serve to embed the astronaut into the cultural imaginary

as a largely coherent and uncontested exemplar of idealised masculinity Using a range of interdisciplinary analytical tools the book examines how the social construction of this masculine ideal iterates and naturalises gender hegemony The book situates the astronaut within the context of a modern postmodern theoretical framework linking shifts in gender perspectives to the contradictory narratives and characterisations that inform the mediation of the astronaut In so doing the book argues for a re evaluation of the often oversimplified use of the term hegemonic masculinity as an anchoring point for the critique of masculinity The strength of this work is its interdisciplinary diversity and its interconnection of a range of themes including gender representation history ideology the postmodern and the media Drawing upon contemporary theoretical debates while redeploying seminal theoretical texts the book offers new cultural interrogations of a highly familiar historical subject
