The Ballerina and the Fighter (Book 1) LaVerne Thompson, Ursula Sinclair, 2013-06-30 I travel through life dancing All I ever wanted to do was dance as did my best friend We d made so many plans together but one night an explosion changed it all Only one of us survived and I promised myself I d succeed for us both And I did until an accident almost ruined my career but Maze came back into my life when I needed him most He pulled me out of the depths of my despair But could I save him now I travel through life fighting It had always been Ivy from the first moment I saw her leaping through the air like she had wings to lift her from the ground But she was my dream something I wanted more than anything else in my life I promised myself I would stay away from her Violence followed me everywhere and I tried to keep her far away from it She was my point of illumination in the dark tumultuous world I lived in But I could not stay away from her Not when I knew she needed me As much as I needed her But could she accept me as I am DK Readers: My Dress-Up Box DK, 2007-01-15 Each book in the DK Readers series is specially crafted to suit the interests and learning stages of beginning readers In My Dress Up Box readers join young children as they dress up as pirates cowboys firefighters fairies and more DK readers are a multistage reading program with five graduated levels Stunning photographs and engaging age appropriate stories **DK Readers L2: Pocahontas** Caryn Jenner, 2009-09-21 In this book children learn the story of Pocahontas Famous for helping maintain peace between the English colonists and Native Americans this brave Indian woman befriended the settlers at Jamestown saving the life of their leader Captain John Smith whom she later married *Alla Osipenko* Joel Lobenthal, 2016 Alla Osipenko is the gripping story of one of history s greatest ballerinas a courageous rebel who paid the price for speaking truth to the Soviet state A cast of characters drawn from all sectors of Soviet and post Perestroika society makes this biography as encyclopedic and encompassing as a great Russian novel **A Yoga of Indian Classical Dance** Roxanne Kamayani Gupta, 2000-03-01 The yoga and classical dance traditions of India have been inextricably entwined for millennia The exacting hand gestures postures and movements of Indian classical dance can only be achieved through yogic concentration Conversely the esthetics symmetry and dynamism of dance enhance the practice of yoga These two traditions so complementary and essential to one another are united and explicated for the first time in A Yoga of Indian Classical Dance Twenty five years ago Roxanne Kamayani Gupta embarked on a journey of dance and yoga yearning to unlock their mysteries and discover their common origins As a twenty year old student from America she was miraculously and mysteriously absorbed into Indian culture became a Hindu and began an odyssey so unusual and unique that the reader will be enchanted by its telling Choosing the path of the dancer Roxanne Gupta accomplished what no Western woman had done before being accepted and trained by Indian masters and then performing in the Indian classical traditions from the palaces of maharajas to the arts festivals of Europe and America while at the same time achieving a doctorate in the anthropology of religion and being initiated into a number of yogic traditions Having mastered the classical form of Kuchipudi dance and

studied with teachers of the hatha and kriya yoga traditions she brings together these two great streams of consciousness and practice In this tantric approach to yoga and dance expressed through the body and through a yoga of emotions we see the traditions embodied in a manner that embraces the totality of the human experience The result is the dance of the yogini the sacred feminine initiatrix who dances with one foot in nature and the other in the realm of the gods With extensive photographs of innovative yoga routines Roxanne Kamayani Gupta distills her experience into techniques for yogic study certain to assist students of all levels to achieve a dynamic beautiful and graceful practice
