

A detailed oil painting of Benjamin Franklin's face and upper torso. He is shown from the chest up, wearing a red coat with a white ruffled collar. His hair is long and dark, and he has a thoughtful expression.

"DAZZLING . . . An elegant tour de force, beautifully written and tightly crafted. It is the work of a historian at the height of his powers."

—John Brewer, *The New York Review of Books*

The Americanization Of Benjamin Franklin:

The Americanization of Benjamin Franklin Gordon S. Wood, 2005-05-31 I cannot remember ever reading a work of history and biography that is quite so fluent so perfectly composed and balanced The New York Sun Exceptionally rich perspective on one of the most accomplished complex and unpredictable Americans of his own time or any other The Washington Post Book World From the most respected chronicler of the early days of the Republic and winner of both the Pulitzer and Bancroft prizes comes a landmark work that rescues Benjamin Franklin from a mythology that has blinded generations of Americans to the man he really was and makes sense of aspects of his life and career that would have otherwise remained mysterious In place of the genial polymath self improver and quintessential American Gordon S Wood reveals a figure much more ambiguous and complex and much more interesting Charting the passage of Franklin s life and reputation from relative popular indifference his death while the occasion for mass mourning in France was widely ignored in America to posthumous glory *The Americanization of Benjamin Franklin* sheds invaluable light on the emergence of our country s idea of itself

The Americanization of Benjamin Franklin Gordon S. Wood, 2006-08 Ten years in the making the new book from Pulitzer Prize winning historian Gordon S Wood reveals Benjamin Franklin s life and meaning Why did Benjamin Franklin retire from business and become gentleman Why did he admire the British Empire and join the American Revolution Why did he begin writing his Autobiography when he did And how did the first American become an American in the first place Renowned historian Gordon S Wood spent ten years studying a legend In this untraditional biography he penetrates beneath 200 years accumulation of images and representations to find the historical Franklin He places his subject s amazing life in its 18th century context and shatters forever the comforting stereotypes homespun patriot cracker barrel philosopher folksy founder genial self improver Groundbreaking and riveting this book is a must for anyone interested in American history and the roots of American character

The Americanization of Benjamin Franklin Gordon S. Wood, 2004 Offers a portrait of the complex often contradictory figure of Benjamin Franklin a man who was at once the quintessential American and a cosmopolitan lover of Europe and a one time loyalist turned revolutionary

Americanization of Benjamin Franklin Gordon S Wood, 2001-01-01 Wood scrutinizes the less typically American traits possessed by Franklin such as his longtime loyalty to the Crown and why he still became one of the Revolution s necessary men

Benjamin Franklin Unmasked Jerry Weinberger, 2005-09-07 Moral paragon public servant founding father scoundrel opportunist womanizing phony There are many Benjamin Franklins Now as we celebrate the tercentenary of Franklin s birth Jerry Weinberger reveals the Franklin behind the many masks and shows that the real Franklin was far more remarkable than anyone has yet discovered Taking the Autobiography as the key to Franklin s thought Weinberger argues that previous assessments have not yet probed to the bottom of Ben s famous irony and elusiveness While others take the self portrait as an elder statesman s relaxed and playful retrospection Weinberger unveils it as the window to Franklin s deepest reflections on God virtue justice equality natural

rights love the good life the modern technological project and the place and limits of reason in politics and human experience Along the way Weinberger explores Franklin s ribald humor usually ignored or toned down by historians and critics and shows it to be charming and philosophic Following Franklin s rhetorical twists and turns Weinberger discovers a serious thinker who was profoundly critical of religion moral virtue and political ideals and whose grasp of human folly constrained his hopes for enlightenment and political reform This close and amusing reading of Franklin portrays a scrupulous dialectical philosopher humane and wise but more provocative and disturbing than even the most hardboiled interpreters have taken Franklin to be a freethinking critic of Enlightenment freethinking who played his moral and theological cards very close to the vest Written for general readers who want to delve more deeply into the mind of a great man and great American Benjamin Franklin Unmasked shows us a massively powerful intellect lurking behind the leather apron countenance This lively witty and revelatory book is indispensable for those who want to meet the real Franklin Benjamin Franklin D. G. Hart,2021-06-11 Benjamin Franklin grew up in a devout Protestant family with limited prospects for wealth and fame By hard work limitless curiosity native intelligence and luck what he called providence Franklin became one of Philadelphia s most prominent leaders a world recognized scientist and the United States leading diplomat during the War for Independence Along the way Franklin embodied the Protestant ethics and cultural habits he learned and observed as a youth in Puritan Boston Benjamin Franklin Cultural Protestant follows Franklin s remarkable career through the lens of the trends and innovations that the Protestant Reformation started both directly and indirectly almost two centuries earlier His work as a printer civic reformer institution builder scientist inventor writer self help dispenser politician and statesmen was deeply rooted in the culture and outlook that Protestantism nurtured Through its alternatives to medieval church and society Protestants built societies and instilled habits of character and mind that allowed figures such as Franklin to build the life that he did Through it all Franklin could not assent to all of Protestantism s doctrines or observe its worship but for most of his life he acknowledged his debt to his creator revelled in the natural world guided by providence and conducted himself in a way imperfectly to merit divine approval In this biography D G Hart recognizes Franklin as a cultural or non observant Protestant someone who thought of himself as a Presbyterian ordered his life as other Protestants did sometimes went to worship services read his Bible and prayed but could not go all the way and join a church **The British Are Coming** Rick Atkinson,2019-05-14 Winner of the George Washington Prize Winner of the Barbara and David Zalaznick Book Prize in American History Winner of the Excellence in American History Book Award Winner of the Fraunces Tavern Museum Book Award From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution Rick Atkinson author of the Pulitzer Prize winning An Army at Dawn and two other superb books about World War II has long been admired for his deeply researched stunningly vivid narrative histories Now he turns his attention to a new war and in the initial volume of the Revolution Trilogy he recounts the first twenty one months of America s violent

war for independence From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777 American militiamen and then the ragged Continental Army take on the world's most formidable fighting force It is a gripping saga alive with astonishing characters Henry Knox the former bookseller with an uncanny understanding of artillery Nathanael Greene the blue-eyed bumpkin who becomes a brilliant battle captain Benjamin Franklin the self-made man who proves to be the wildest of diplomats George Washington the commander in chief who learns the difficult art of leadership when the war seems all but lost The story is also told from the British perspective making the mortal conflict between the redcoats and the rebels all the more compelling Full of riveting details and untold stories *The British Are Coming* is a tale of heroes and knaves of sacrifice and blunder of redemption and profound suffering Rick Atkinson has given stirring new life to the first act of our country's creation drama [Benjamin Franklin's Intellectual World](#) Paul E. Kerry, Matthew S.

Holland, 2012-12-27 This volume attempts to throw fresh light on two areas of Benjamin Franklin's intellectual world namely his self-fashioning and his political thought It is an odd thing that for all of Franklin's voluminous writings a fantastically well documented correspondence over many years scientific treatises that made his name amongst the brightest minds of Europe newspaper articles satires and of course his signature on the Declaration of Independence and the U S Constitution and yet scholars debate how to get at his political thought indeed if he had any political philosophy at all It could be argued that he is perhaps the American Founder most closely associated with the Enlightenment Similarly for a man who left so much evidence about his life as a printer bookseller postmaster inventor diplomat politician scientist among other professions one who wrote an autobiography that has become a piece of American national literature and indeed a contribution to world culture the question of who Ben Franklin continues to engage scholars and those who read about his life His identity seems so stable that we associate it with certain virtues that apply to the way we live our lives time management for example The image of the stable figure of Franklin is applied to create a sense of trust in everything from financial institutions to plumbers His constant drive to improve and fashion himself reveal however a man whose identity was not static and fixed but was focused on growth on bettering his understanding of himself and the world he lived in and attempted to influence and improve

Benjamin Franklin and the Politics of Improvement Alan Craig Houston, 2008-11-18 This fascinating book explores Benjamin Franklin's social and political thought Although Franklin is often considered the first American his intellectual world was cosmopolitan An active participant in eighteenth century Atlantic debates over the modern commercial republic Franklin combined abstract analyses with practical proposals Houston treats Franklin as shrewd creative and engaged a lively thinker who joined both learned controversies and political conflicts at home and abroad Drawing on meticulous archival research Houston examines such tantalizing themes as trade and commerce voluntary associations and civic militias population growth and immigration policy political union and electoral institutions freedom and slavery In each case he shows how Franklin urged the improvement of self and society Engagingly written and richly illustrated this book

provides a compelling portrait of Franklin a fresh perspective on American identity and a vital account of what it means to be practical

Benjamin Franklin Hal Marcovitz,2009 Presents a biography of the eighteenth century printer inventor and statesman who played an influential role in the early history of the United States

The Real Benjamin Franklin Jessica Gunderson,2019 Benjamin Franklin led a productive life but is it possible his accomplishments include everything attributed to him The answer is yes for the most part He never did suggest the wild turkey should be the national symbol of the United States He did however lend his wisdom to the founding of the country and he was the only person to sign four of the documents most critical to the creation

and character of the nation Provided by publisher *A Companion to Benjamin Franklin* David Waldstreicher, 2011-06-13 This companion provides a comprehensive survey of the life work and legacy of Benjamin Franklin the oldest most distinctive and multifaceted of the founders Includes contributions from across a range of academic disciplines Combines traditional and cutting edge scholarship from accomplished and emerging experts in the field Pays special attention to the American Revolution the Enlightenment journalism colonial American society and themes of race class and gender Places Franklin in the context of recent work in political theory American Studies American literature material culture studies popular culture and international relations Dictionary of Early American Philosophers John R. Shook, 2012-04-05 The Dictionary of Early American Philosophers which contains over 400 entries by nearly 300 authors provides an account of philosophical thought in the United States and Canada between 1600 and 1860 The label of philosopher has been broadly applied in this Dictionary to intellectuals who have made philosophical contributions regardless of academic career or professional title Most figures were not academic philosophers as few such positions existed then but they did work on philosophical issues and explored philosophical questions involved in such fields as pedagogy rhetoric the arts history politics economics sociology psychology medicine anthropology religion metaphysics and the natural sciences Each entry begins with biographical and career information and continues with a discussion of the subject s writings teaching and thought A cross referencing system refers the reader to other entries The concluding bibliography lists significant publications by the subject posthumous editions and collected works and further reading about the subject **Babel of the Atlantic** Bethany Wiggin, 2019-04-24 Despite shifting trends in the study of Oceanic Atlantic history the colonial Atlantic world as it is described by historians today continues to be a largely English only space even when other language communities are examined they too are considered to be monolingual and discrete Babel of the Atlantic pushes back against this monolingual fallacy by documenting multilingualism translation and fluid movement across linguistic borders Focusing on Philadelphia and surrounding areas that include Germantown Bethlehem and the so called Indian country to the west this volume demonstrates the importance of viewing inhabitants not as members of isolated language communities whether English German Lenape Mohican or others but as creators of a vibrant zone of mixed languages and shifting politics Organized around four themes religion education race and abolitionism and material culture and architecture and drawing from archives such as almanacs newspapers and the material world the chapters in this volume show how polyglot tolerant and multilingual spaces encouraged diverse peoples to coexist Contributors examine subjects such as the multicultural Moravian communities in colonial Pennsylvania the Charity School movement of the 1750s and the activities of Quaker abolitionists showing how educational and religious movements addressed and embraced cultural and linguistic variety Drawing early American scholarship beyond the normative narrative of monolingualism this volume will be invaluable to historians and sociolinguists whose work focuses on Pennsylvania and colonial revolutionary and antebellum America In addition to the editor the contributors include Craig

Atwood Patrick M Erben Cynthia G Falk Katherine Faull Wolfgang Fligel Katharine Gerbner Maruice Jackson Lisa Minardi Jürgen Overhoff and Birte Pfleger The Novel and the Blank Matthew P. Brown, 2025-08-26 This book explores eighteenth century British American print shops highlighting their diverse output including blank forms novels and religious tracts and their impact on literary culture the public sphere and the interplay of religion and secularism Provided by publisher **The Men Who Made the Constitution** John R. Vile, 2013-10-10 Few events in the history of the United States were of greater consequence than the Constitutional Convention of 1787 Although most histories have focused on the issues and compromises that dominated the debates the exchanges were also shaped by the dynamic personalities of the fifty five delegates who attended from twelve of the thirteen states In *The Men Who Made the Constitution* constitutional scholar John R. Vile explores the lives and contributions of all delegates to the 1787 Constitutional Convention including those who left before the Convention ended and those who stayed until the last day but refused to sign Each biography records the delegate's birth education previous positions or public service roles homes family life life after the Convention death and resting place Drawing directly from Convention debates and a vast array of secondary sources Vile covers the positions of each delegate at the Convention on both major and minor issues and describes his service on committees and afterward at state ratification conventions *The Men Who Made the Constitution* includes a bibliography of key sources engravings of delegates for whom portraits were created a quiz on key facts and a transcript of the Constitution of the United States This work is the perfect reference for students and scholars as well as professional and amateur historians of colonial and early American history constitutional law and American jurisprudence **Sex and the Founding Fathers** Thomas A. Foster, 2014-01-17 Biographers journalists and satirists have long used the subject of sex to define the masculine character and political authority of America's Founding Fathers Tracing these commentaries on the Revolutionary Era's major political figures in *Sex and the Founding Fathers* Thomas Foster shows how continual attempts to reveal the true character of these men instead exposes much more about Americans and American culture than about the Founders themselves *Sex and the Founding Fathers* examines the remarkable and varied assessments of the intimate lives of George Washington Thomas Jefferson John Adams Benjamin Franklin Alexander Hamilton and Gouverneur Morris from their own time to ours Interpretations can change radically consider how Jefferson has been variously idealized as a chaste widower condemned as a child molester and recently celebrated as a multicultural hero Foster considers the public and private images of these generally romanticized leaders to show how each generation uses them to reshape and reinforce American civic and national identity

Embracing the Beat of Phrase: An Psychological Symphony within **The Americanization Of Benjamin Franklin**

In a global consumed by displays and the ceaseless chatter of quick conversation, the melodic splendor and psychological symphony created by the prepared word usually disappear in to the back ground, eclipsed by the persistent noise and disruptions that permeate our lives. Nevertheless, located within the pages of **The Americanization Of Benjamin Franklin** a marvelous literary treasure full of raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that charming masterpiece conducts readers on a mental journey, well unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths with this poignant analysis, we can examine the book is key harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
