The Changing Landscape of School Leadership M. Scott Norton,2015-12-31 The primary focus of the book is to emphasize the major changes in the leadership responsibilities of the school principal and to underscore the necessity for them to gain new knowledge and skills in order to direct their leadership toward meeting the new changes in school community goals and objectives M Scott Norton emphasizes the fact that contemporary issues and problems must be viewed as symptoms of change The symptoms represent administrative tasks that must be attacked by implementing the primary reason that the school principal is hired that of leading on going change The leader s responsibility focuses on school purposes as set forth in a viable school mission statement The school s mission statement that all too often is set forth as a public relations perspective must instead set forth answers to questions such as What is our purpose Why does our school exist What is our reason for being here How do we meet the on going changes that face us educationally The leadership of the school principal attacks the symptoms of change by collaborating with the school s faculty to set forth a mission to which all members can commit Collaboration infers a unification of members commitments toward the primary purposes of the school Collaboration and opportunities to confer on an on going basis are established Although the school principal s hands are often tied by such factors as lack of resources underfunded unfunded mandates inability to hire and retain highly qualified personnel and constantly changing program requirements related to student testing and teacher performance evaluation this book places emphasis on the principal s need to become a visionary change agent in order to attack the ever changing symptoms of educational change

Nancy Caroline's Emergency Care in the

Streets Test American Academy of Orthopaedic Surgeons (AAOS), Nancy L. Caroline, Bob Elling, Mike Smith, 2012-08-16
Nancy Caroline's Emergency Care in the Streets Seventh Edition is the next step in the evolution of the premier paramedic education program. This legendary paramedic textbook was first developed by Dr. Nancy Caroline in the early 1970s and transformed paramedic education. Today the American Academy of Orthopaedic Surgeons is proud to continue this legacy and set the new gold standard for the paramedics of tomorrow. The Seventh Edition reflects the collective experience of its top flight author team and decades of street wisdom. This fully updated edition covers every competency statement of the National EMS Education Standards for paramedics with clarity and precision in a concise format that ensures student comprehension and encourages critical thinking. This edition emphasizes the ideal that becoming a paramedic is a continual pursuit of growth and excellence throughout an entire career. Concepts of team leadership and professionalism are woven throughout the chapters, challenging students to become more compassionate, conscientious health care professionals as well as superior clinicians.
