Slaves No More Ira Berlin, 1992-11-27 Three essays present an introduction and history of the emancipation of the slaves during the Civil War

Slave No More Aline Helg, 2019-02-07 Commanding a vast historiography of slavery and emancipation Aline Helg reveals as never before how significant numbers of enslaved Africans across the entire Western Hemisphere managed to free themselves hundreds of years before the formation of white run abolitionist movements Her sweeping view of resistance and struggle covers more than three centuries from early colonization to the American and Haitian revolutions Spanish American independence and abolition in the British Caribbean Helg not only underscores the agency of those who managed to become free people of color before abolitionism took hold but also assesses in detail the specific strategies they created and utilized While recognizing the powerful forces supporting slavery Helg articulates four primary liberation strategies flight and marronage manumission by legal document military service for men in exchange for promised emancipation and revolt along with a willingness to exploit any weakness in the domination system Helg looks at such actions at both individual and community levels and in the context of national and international political movements Bringing together the broad currents of liberal abolitionism with an original analysis of forms of manumission and marronage *Slave No More* deepens our understanding of how enslaved men women and even children contributed to the slow demise of slavery

Slave No More James McGraw, 2022-08-01 This memoir was written from the heart based on real life experiences In this book there are poverty racism depression laughter disparity insufficiencies rejection low self esteem infirmities and discovery of God s presence What can you gain by reading this memoir Believe in yourself never give up keep dreaming alive work hard trust in the creator recognize modern day slavery and act accordingly I was guaranteed a loss because I gave up I had blinders on and I refused to remove them If I couldn t see it I had no reason to achieve it You will not get up until you recognize you are down I like some of Morgan Freeman s quotes Failure is a part of life if you don t fail you don t learn If you don t learn you will never change For more than thirty years of my life I refused to play the hand I was dealt and just settled for whatever came my way I knew of God but couldn t see how he was operating in my life because I still had blinders on He said in Hebrews 13:5 that he will never leave me and never will he forsake me Years later I see that he was there the whole time My advice to this younger generation is to get an education even if you don t have a plan now to use it During your childhood development stages the importance of getting a good education is stronger than it has ever been It s very important for young people to learn their social and mental skills now in order to have a successful future Don t give up like I did and just settle for a passing grade You may not regret it now but live on

Blight, 2009-01-15 The newly discovered slave narratives of John Washington and Wallace Turnage and their harrowing and empowering journey to emancipation Slave narratives among the most powerful records of our past are extremely rare with only fifty five surviving post Civil War This book is a major new addition to this imperative part of American history the
