The Search For Forbidden Knowledge:

Forbidden Knowledge N. Rescher, 2012-12-06 This volume collects together eleven essays in epistemology written during the past three years They are mostly unpublished just four of them having appeared previously numbers two three four and eleven Detailed acknowledgement of prior publication is made in the notes to the relevant chapters I am indebted to the editors of the several publications involved for their kind permission to use this material And I am particularly grateful to my friend Professor Mario Bunge for his interest in my work and for his willingness to include this sample of it in his Episteme series NICHOLAS RESCHER Pittsburgh PA December 1986 xi INTRODUCTION The philosophy of knowledge covers a vast and enormously diversified terrain Within this broad area the essays that comprise the present book deal specifically with the following issues 1 The moral dimension of inquiry in particular scientific inquiry into the ways of the world Chapter 1 2 The epistemic status of such cognitive values of inquiry as coherence Chapter 2 consistency Chapter 3 completeness Chapter 4 3 The cognitive bearing of probabilistic considerations Chapters 5 and 6 4 The epistemic status of certain ideal desiderata of cognition such as totality Chapter 7 precision Chapter 8 exactness Chapter 9 5 *Sacred Guardian & The Forbidden Knowledge* Malia Z. Abidin, 2025-01-06 The djinns are mighty beings humans are creatures of the mind but the king's wisdom surpasses them all In the ancient kingdom of Wijawangsa the king's rule is supreme upholding the delicate balance between logic and superstition But when King Mukarram succumbs to a mysterious illness the kingdom teeters on the brink of chaos Princess Nastara and her younger brother Prince Alam disguised as commoners embark on a journey to understand the struggles of their people However their quest spirals into danger when they are captured by pirates from the Galamun Archipelago practitioners of invincible knowledge which embraces dark spirits from spiritual realms a knowledge deemed forbidden in Wijawangsa A civil war threatens with the looming conflict against the Pertala Tribe with the High Council when a sacred weapon called Sang Gala Raja is missing In a realm where power is corrupted beneath the surface of peacefulness the princess uncovers a conspiracy that threatens her family and her kingdom This epic tale blends mystery fantasy and philosophical exploration where wisdom justice and love clash against ancient forces The kingdom of Wijawangsa stands as a beacon of hope guided by duty and honour as its royal family battles not just for survival but for the very soul of the kingdom itself **The Search for Forbidden Knowledge** Dave Oester, 2014-11-21 I discovered that the modern day orthodox Christianity lacked any kind of spirituality that I needed in my life I turned my search to the teachings of the Gnostic sect that competed with the orthodox sect during the next three hundred years Gnostic Christianity fulfilled the void I found in the orthodox faith Nonetheless Gnostic Christianity has been a thorn in the side of orthodox Christianity for the last two thousand years Today a part of that lost knowledge has surfaced in a most unlikely place The Gnostic biblical version presented a totally different side to the teachings of Jesus that included the early Orthodox Church policy of bloodshed corruption and the genocide of all other Gospel accounts of Jesus not approved by them The Search
