The Sheperds Guide South Atlanta:

Matthew's Messianic Shepherd-King Joel Willitts,2008-08-27 In two places in the First Gospel Matt 10 5b 6 15 24 the Messianic mission of Jesus and his disciples is limited to a group called the lost sheep of the house of Israel In light of Matthew s intense interest in Jesus Davidic Messiahship and the Jewish Shepard King traditions surrounding King David it is argued that the lost sheep of the house of Israel refers to remnants of the former northern kingdom of Israel who continued to reside in the northern region of the ideal Land of Israel

Liberty Hyde Bailey,1911 [The Ministry of the Shepherd and the Church in Africa](#) ,2017-01-25 With over two million church leaders working in the more than ten million parishes congregations seminaries and houses of religious formation around the world it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ But how can church leaders learn to be true shepherds like Jesus whose selfless sacrifice of his life for his people set the standard for the pastoral ministry The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd Ministry which encourages right shepherding and evangelization in the world of self serving leadership styles Focusing especially on the example of pastoral ministry in Africa author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servantsnot as self serving mastersso that they can lead guide and teach their congregations as Christ would Because it can be easy for church leaders to get wrapped up in the sociocultural political and economic concerns of their parishes it is important for these church leaders to shed an undue focus on these concerns instead of shepherd their flocks By modeling their lives and leadership on the ideals of Jesus church leadersincluding priests religious lecturers seminarians and even lay Christian parents alikecan become true servants and shepherds honoring the example of Jesus the Good Shepherd **The IMS ... Experiencing the Shepherd of Hermas Angela Kim Harkins,Harry O. Maier,2022-06-06 The Shepherd of Hermas is one of the oldest and most well attested Christian works Its popularity arguably exceeded that of the canonical Gospels Many early Christian thinkers regarded the Shepherd as authoritative and cited it in their own writings even though its status as Scripture was controversial The far reaching influence of the Shepherd during the first few centuries is attested in part by the many languages in which it was copied Latin Ethiopic Coptic Middle Persian and Georgian The early dating and wide dissemination of the Shepherd of Hermas offers us access to a period when canonical boundaries were elastic This volume treats religious experience in the Shepherd a topic that has received little scholarly attention It complements a growing body

of literature that explores the text from social historical perspectives. Leading scholars approach it from a variety of interdisciplinary perspectives including critical literary theory, anthropology, cognitive science, affect theory, gender studies, intersectionality, and text reception. In doing so, they pose fresh questions to one of the most widely read texts in the early church, offering new insights to scholars and students alike.

[The Southern Planter](#), 1909 [Mark 13 and the Return of the Shepherd](#) Paul T. Sloan, 2019-01-24 Paul T. Sloan presents a detailed interpretation of Mark's Olivet Discourse in light of the Gospel's many allusions to the book of Zechariah and argues that previous studies have rightly demonstrated the influence of Zechariah 9:14 on the Passion Narratives. Sloan shows that this influence is not merely confined to Mark's description of Jesus' final week but also permeates much of his narrative, informing the Gospel's presentation of Jesus' royal identity, his action in the temple, the role of suffering in the bringing of God's kingdom, and the arrangement and interpretation of the Olivet Discourse. Sloan begins with an extensive review of scholarship on the presence of Zechariah in Mark, before analyzing the reception of relevant texts from Zechariah in Second Temple literature. He proceeds to a fresh examination of potential allusions to Zechariah throughout Mark, focusing especially on Mark's use of Zechariah 13:7 and 14:5. In addition to influencing significant themes in Mark's Gospel, Sloan argues that Zechariah provides a helpful framework by which to interpret Mark 13, offering a potential solution to a notorious crux interpretum: namely, why Jesus answers a question about the temple with reference to the coming of the son of man.

Brotherhood of Locomotive Firemen and Enginemen's Magazine, 1887 [Lord & Thomas and Logan Pocket Directory of the American Press](#), 1907 **Older Americans Information Directory, 2002/03** Sedgwick, 2002-06 *Jesus as the Eschatological Davidic Shepherd* Young S. Chae, 2006 Young S. Chae analyzes the puzzling association of the Son of David with Jesus' healing

ministry in the First Gospel This along with the Gospel s rich shepherd sheep images and the theme of the restoration of the lost sheep of the house of Israel finds a significant clue in the picture of Jesus as the eschatological Davidic Shepherd according to the pattern of the Davidic Shepherd tradition in the Old Testament and Second Temple Judaism As Matthew communicates the identity and mission of Jesus he is conversant with this tradition particularly Ezekiel 34 and 37 as well as Micah 2 5 and Zechariah 9 14 The story of the First Gospel is the story of the return of YHWH as the eschatological Shepherd for the lost sheep of Israel and also that of the one Davidic Shepherd Appointee as the eschatological Teacher Prince in the midst of his one eschatological flock

The Rise of the Urban South Lawrence H. Larsen, 2014-07-15 Operating under an outmoded system of urban development and faced by the vicissitudes of the Civil War and Reconstruction southerners in the nineteenth century built a network of cities that met the needs of their society In this pioneering exploration of that intricate story Lawrence H Larsen shows that in the antebellum period southern entrepreneurs built cities in layers to facilitate the movement of cotton First came the colonial cities followed by those of the piedmont the New West the Gulf Coast and the interior By the Civil War cotton could move by a combination of road rail and river through a network of cities for example from Jackson to Memphis to New Orleans to Europe In the Gilded Age building on past practices the South continued to make urban gains Men like Henry Grady of Atlanta and Henry Watterson of Louisville used broader regional objectives to promote their own cities Grady successfully sold Atlanta one of the most southern of cities demographically as a city with a northern outlook Watterson tied Louisville to national goals in railroad building The New South movement did not succeed in bringing the region to parity with the rest of the nation yet the South continued to rise along older lines By 1900 far from being a failure in terms of the general course of American development the South had created an urban system suited to its needs while avoiding the promotional frenzy that characterized the building of cities in the North Based upon federal and local sources this book will become the standard work on nineteenth century southern urbanization a subject too long unexplored
