Holocaust Fiction Sue Vice,2003-09-02 This is a critical survey of a broad range of fictional representations of the Holocaust over the last twenty years It brings a new slant to the key debates and issues relevant to those looking at representation and the Holocaust Reading Habermas Michael Hofmann,2022-12-13 Reading Habermas Structural Transformation of the Public Sphere dissolves Habermas s monolithic stylization to precisely access his seminal distinction between the purely political polis of antiquity which excludes the private economy from the res publica and the modern public sphere with its rational critical discourse about commodity exchange and social labor in the political economy Deconstructing the uniform mold of Structural Transformation s narrative about a rise and fall of the bourgeois public sphere in modernity also allows to identify and understand the ideology critical methodologies of Habermas s theory reconstruction of Kant s ideal of the liberal public in the context of the French Revolution Readers of this guide realize that Habermas s interpretation of a sociological and political category with the norms of constitutional theory and intellectual history causes the collapsing of norm and description he acknowledged in 1989 and thus frequent misunderstandings about the historical validity of Structural Transformation s ideal type derived from Condorcet s absolute rationalism and Kant s unofficial philosophy of history Specifically the guide explains that Habermas s key construct of a morally pretentious rationality of the bourgeois public sphere entirely depends on the claim about natural laws harmoniously regulating the economy While neoliberalism still maintains this claim Hegel decisively destroyed it already in 1821 **The Craft of a Good Scribe** Steve Vinson,2017-11-06 In The Craft of a Good Scribe Steve Vinson offers a comprehensive study of the Demotic Egyptian First Tale of Setne Khaemwas Third Century BCE the first to appear since 1900 First Setne is the most important extant Demotic literary text and among the most important fictional compositions from any period of ancient Egypt The tale which is by turns lurid tragic and ultimately comic deals with Setne s theft of a magic book written by the god Thoth himself and subsequently Setne s punishment through a hallucinatory encounter with the ghostly femme fatale Tabubue Vinson provides a new textual edition and commentary and explores the tale s cultural background its modern reception and approaches to its interpretation as a work of literature **Vesalius: The China Root Epistle** Andreas Vesalius,2015-01-12 This book provides the first annotated English translation from the original Latin of Andreas Vesalius China Root Epistle Ostensibly his appraisal of a fashionable herbal remedy the China Root Epistle concentrates on Vesalius skeptical appraisal of traditional Galenic anatomy which was based on animal rather than human dissections Along with reflections about his life as a young anatomist Vesalius argued that the new science of anatomy should devote itself less to rhetorical polemics and more to the craft of direct observation based on human dissection This volume provides annotations to link the Epistle with Vesalius
